No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

EXHIBIT D – SPECIAL TERMS AND CONDITIONS (CONT.)

A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

Each party shall adhere to all starting and ending times as indicated on the contract face.

CURFEW

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

PAYMENT

Contractor shall be paid by District check in the amount specified in this agreement immediately upon completion of performance. At least ten (10) days prior to performance date, Contractor shall submit to District an accurately completed and signed State of California Std. 204 ("Payee Data Record"). A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

1. CONFLICT OF INTEREST:

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

EXHIBIT D – SPECIAL TERMS AND CONDITIONS (CONT.)

Former State Employees (Pub. Contract Code §10411):

1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION:

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

4. CONTRACTOR NAME CHANGE:

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

- a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
- b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
- c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

Each party shall adhere to all starting and ending times as indicated on the contract face.

CURFEW

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)
