VOICES – VETERANS STORYTELLING PROJECT is supported through grants from the California Arts Council, National Endowment for the Arts, Orange County Community Foundation and The William Gillespie Foundation.

VOICES – VETERANS STORYTELLING PROJECT is presented by Arts Orange County in collaboration with Chance Theater, Heroes Hall Veterans Museum at OC Fair & Event Center and Veterans First. This program empowers veterans to use theater to talk about their experiences and help the community understand the life of a veteran.

Over the course of six weeks, veterans participate in weekly workshops that culminate in a public performance at Heroes Hall. This is the first performance hosted by Heroes Hall in its new Medal of Honor Plaza.

Arts Orange County is the leader in building appreciation, participation and support for the arts and arts education throughout Orange County.
