  2. **Renter will conduct his business in a quiet and orderly manner; will deposit all rubbish, slop, garbage, tin cans, paper, etc. in receptacles provided by the Association within said concession plot for such purpose, and will keep the area within and surrounding said concessions free from all rubbish and debris.**
  3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
  4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
  5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
  6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
  7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
  8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
  9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
  10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale shall be subject to the approval of the Association and the local law enforcement officials.

  12. Association may provide watchman service, which will provide for reasonable protection of the property of Renter's, but Association shall not be responsible for loss or damage to the property of Renter.
  13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Renter must be removed from the buildings and grounds by Renter, at his own expense, no later than a date specified by Association.   15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
  16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
  17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.

Renter, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127).

  20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
  21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

  5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
  6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.

Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
  10. 4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.

21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

2. **Renter will conduct his business in a quiet and orderly manner; will deposit all rubbish, slop, garbage, tin cans, paper, etc. in receptacles provided by the Association within said concession plot for such purpose, and will keep the area within and surrounding said concessions free from all rubbish and debris.**
3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. 13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Renter must be removed from the buildings and grounds by Renter, at his own expense, no later than a date specified by Association. 17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.
18. Renter, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127).

20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.
18. Renter, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127).
19. Renter recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Renter may be subject to the payment or property taxes levied on such interest.
20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

### **RECOMMENDATION**

**SUBJECT:** Orange Coast College/OCFEC Parking Structure Update

**DATE:** February 20, 2015

### **RECOMMENDATION**

## **Board of Directors Agenda Report**

MEETING DATE: FEBRUARY 26, 2015 ITEM NUMBER: 9D

**SUBJECT:** Discussion of Legal Services

**DATE:** February 20, 2015

**FROM:** Kathy Kramer, Chief Executive Officer

**PRESENTATION BY:** Kathy Kramer, Chief Executive Officer

---

### **RECOMMENDATION**

Authorize the Board Chair to submit request to the Attorney General's office for reinstatement of representation of the 32<sup>nd</sup> District Agricultural Association.

### **BACKGROUND**

On December 1, 2009, the Attorney General's office ceased representing the 32<sup>nd</sup> District Agricultural Association "based upon the potentially conflicting interests of the District, the District Board members, ... (and) the OC Fair & Event Center Foundation, until all issues relating to the proposed sale of the District's fairgrounds were resolved."

On February 23, 2012, the Board of Directors submitted a request to the Attorney General's office to resume representing the Association.

In a letter dated April 17, 2012, the Attorney General's office denied the request due to unresolved issues surrounding the proposed sale of the fairgrounds. Specifically, the two issues referenced in communications between the then Board Chair and the Attorney General were the ongoing investigation by the Orange County District Attorney's Office into the actions surrounding the proposed sale and the OCFEC Board of Directors reserving the right to commission an audit related to the proposed sale.

On November 24, 2014 the Orange County District Attorney's Office issued a letter disclosing their recent findings and officially closing the investigation.

On December 18, 2014, the Board of Directors unanimously voted to eliminate the

request for a forensic audit, officially addressing the final issue referenced in the correspondence from the Attorney General's office dated April 17, 2012.

Roger Grable, Manatt, Phelps & Phillips, LLP, indicated that his firm would be unable to provide a competitive rate compared to that offered the Attorney's General's office but expressed a desire to work with OCFEC on any issues the Attorney General's office would wish to delegate. The Attorney General's office has indicated that Manatt, Phelps & Phillips, LLP will be permitted to work with OCFEC to resolve any current efforts.

## **Board of Directors Agenda Report**

MEETING DATE: FEBRUARY 26, 2015 ITEM NUMBER: 9E

**SUBJECT:** Additional Architectural Design Service for Pacific Amphitheatre Seat Replacement Project

**DATE:** February 20, 2015

**FROM:** Sharon Augenstein, Chief Financial Officer

**PRESENTATION BY:** Sharon Augenstein, Chief Financial Officer & Jerry Eldridge, Director of Facilities

---

### **RECOMMENDATION**

Approve additional architectural design services at a not to exceed (NTE) amount of \$50,000.

### **BACKGROUND**

In September 2014, the Board approved \$41,840 for Phase I of the Pacific Amphitheatre Seat Replacement Project (\$31,840 for architectural design services + \$10,000 for civil engineer surveying services).

As communicated in September, the initial approved body of work was the first step in requesting approval from the California Division of the State Architect (DSA). This included the development of reconstructed CAD file drawings for the Amphitheatre. Unknown in September but required to complete the CAD file drawings was any corrective work that would be required by DSA to address accessibility requirements for the seating area as well as for path of travel from the Box Office parking lot to the seating area and restrooms. The civil engineering surveying services approved by the Board in September have been completed and resulted in the identification of the following two areas which will require correction in order to receive approval of the Seat Replacement Project by DSA: modification of the pedestrian ramps and modification of the concourse.

Architectural design efforts by the contracted architectural design firm, Froehlich, Kow & Gong Architects, Inc. for the modifications must be performed and submitted

with the seating drawings as a package before DSA will review and consider approval of the Seat Replacement Project.

The estimated cost to design the modifications, finalize the approval package for DSA and respond to any requests from DSA during the approval process is estimated at \$25,000 NTE. Additionally, \$5,000 NTE is estimated for the development of seating plans and bidding support for the RFP process. Lastly, \$20,000 NTE is estimated for support services during construction should they be required during the Seat Replacement Project or the projects to modify the ramps or the concourse. Total additional architectural design services equal \$50,000 NTE.

The results of the efforts detailed will enable staff to complete the design process, obtain approval from DSA as required by the State and establish the requirements for the RFP process to complete the seat installation project as well as the two modification projects. Although dollars are requested to support the architectural design of the corrective work required for the ramps and concourse, those projects will be planned, budgeted and performed separately from the seat replacement project at a time to be determined.

Based on the information known today, the tentative schedule for the Pacific Amphitheatre Seat Replacement Project is as follows:

April 2015	Bid solicitation
June	Award contract
July-August	Seat Fabrication
September-December	Installation
December	Project Complete
