The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

Accommodations will be made for vegetarian meals upon request. Additional food and beverage service (i.e. tour bus food service) may be requested by the Artist at the Artist's expense from the on-site caterer. Catering itself will be capped at \$3,000.00 versus the cost of Artist's touring personnel staff for meals and dressing room riders, whichever is lower. After show food and bus stock is not provided. The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

Unless contracted, personal Contractor needs, including, but not limited to such items as massage, health care professionals and hairstylists are the financial responsibility of the Contractor. Runners are available on the performance day only and within a 15 mile radius.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

No indemnification, hold harmless or additional insured certificate will be provided to Contractor by the District.

**WORKERS' COMPENSATION INSURANCE**

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**DRUGS & PARAPHERNALIA**

The District has enacted a very strict anti-drug policy for the facility. **Current State Employees (Pub. Contract Code §10410):**

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

**EXHIBIT D – SPECIAL TERMS AND CONDITIONS (CONT.)**

**Former State Employees (Pub. Contract Code §10411):**

1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

**2. LABOR CODE/WORKERS' COMPENSATION:**

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. **4. CONTRACTOR NAME CHANGE:**

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

**5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:**

- a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
- b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
- c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

**6. RESOLUTION:**

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT**

**SHOW STARTING TIMES**

Each party shall adhere to all starting and ending times as indicated on the contract face.

**CURFEW**

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

**PAYMENT**

Contractor shall be paid by District check in the amount specified in this agreement immediately upon completion of performance. At least ten (10) days prior to performance date, Contractor shall submit to District an accurately completed and signed State of California Std. 204 ("Payee Data Record"). Contractor may be subject to applicable California State *non-resident entertainer* withholding taxes by the State of California Franchise Tax Board (FTB). Contractor acknowledges and agrees District is **required** to withhold seven percent (7%) of payments to *nonresident* bands, orchestras, plays, dance teams, circuses, and other performing entities if all payments by the District to Contractor exceed \$1,500 for the calendar year. A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, [www.ftb.ca.gov](http://www.ftb.ca.gov) and search "Nonresident Entertainment Withholding Procedures." Additional references for information can be found at [www.ftb.ca.gov](http://www.ftb.ca.gov), [www.ftb.ca.gov/forms/2008/08\\_1017.pdf](http://www.ftb.ca.gov/forms/2008/08_1017.pdf) and [www.ftb.ca.gov/forms/2012/12\\_1017.pdf](http://www.ftb.ca.gov/forms/2012/12_1017.pdf).

Contractor acknowledges and understands that in the event Contractor fails to furnish a completed and signed Payee Data Record to the District prior to the Artist's performance date, the District is required to deduct the *nonresident* seven percent (7%) withholding from Contractor payment. The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The facility will be open to the public approximately 60 minutes prior to the start of the show. There shall be no exceptions to these stated times. These requirements are necessary to meet safety and crowd control procedures set by the State of California Fire Marshal and the Orange County Sheriff's Department.

**DECIBEL LEVEL**

Contractor shall comply with all decibel and sound level requirements as detailed in Exhibit F – Pacific Amphitheatre Decibel Level and Sound Covenant.

**MEDIA – WEB SITE**

The District requests that the Contractor place specific information about the OC Fair on the Artist website. Information may include the contracted entertainer's name, date, time of performances at the OC Fair, and a web-link to OC Fair website ([www.ocfair.com](http://www.ocfair.com)).

**MEDIA – INTERVIEW**

The District also requests that the contracted Artist consent to at least one fifteen (15) minute promotional interview with a local radio station, to be selected by the District, in advance of their performance at the OC Fair. Please contact the District's Communications Department at (714) 708-1559 to coordinate the interview. The foregoing is subject to Artist's prior approval and availability.

**MEDIA – VIDEO**

Local affiliates of national television networks, upon issuance of proper District press credentials and approval of Artist's representative, may be allowed to videotape up to three (3) minutes of performance for non-commercial news purposes only and subject to advance with Artist's management. The District actively discourages all non-legitimate videotaping activity.

**MEDIA – STILL PHOTOGRAPHY**

Representatives of legitimate press organizations, upon issuance of proper District press credentials, may be allowed to photograph a portion of the performance for local, non-commercial review purposes only, subject to Contractor's approval. The District actively discourages all non-legitimate use of still photography.

**HOSPITALITY**

The District will provide meal service chosen from a District determined menu. District will use Artist's contract rider as a guide, but will be the final determiner of the meal that is served. Accommodations will be made for vegetarian meals upon request. Additional food and beverage service (i.e. tour bus food service) may be requested by the Artist at the Artist's expense from the on-site caterer. Catering itself will be capped at \$3,000.00 versus the cost of Artist's touring personnel staff for meals and dressing room riders, whichever is lower. After show food and bus stock is not provided. The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

Unless contracted, personal Contractor needs, including, but not limited to such items as massage, health care professionals and hairstylists are the financial responsibility of the Contractor. Runners are available on the performance day only and within a 15 mile radius.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

**INSURANCE**

If Artist's performance involves the active participation of the audience in the act or any hazardous activity is part of the entertainment act, including, but not limited to, pyrotechnics, Contractor shall notify the District and meet all requirements for General Liability coverage as required by the California Fairs Services Authority prior to the performance. No indemnification, hold harmless or additional insured certificate will be provided to Contractor by the District.

**WORKERS' COMPENSATION INSURANCE**

Contractor warrants that it maintains Workers Compensation Insurance for Contractor and Contractor's employees in the amounts and to the extent required by law.

To the extent required by law, Contractor will comply with Section 3700 of the California Labor Code, which requires every employer be insured against liability for workers compensation claims or to undertake self-insurance in accordance with the provisions of the Code immediately upon hiring any employee and before commencing the performance of this Agreement.

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**DRUGS & PARAPHERNALIA**

The District has enacted a very strict anti-drug policy for the facility. As such, Contractor agrees that Artist shall not discuss illegal drug use, use illegal drugs, employ gestures mimicking the use of illegal drugs, or show paraphernalia employed in the use of illegal drugs during Artist's performance or at any time while Artist is on stage.

**CONFLICT OF LAWS OR TERMS**

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. In the case of conflict between the District/State Documents and Artists Documents, the District/State Documents shall prevail if the parties can not mutually agree upon a resolution of the conflict.

**MOST FAVORED NATIONS**

The terms of this Agreement shall be on a most favored nations basis with all other artists performing at the OC Fair in the year of Artist's Performance(s).

**FORCE MAJEURE CLAUSE**

If as a result of any Act of God, war, accident, fire, strike, lock-out, or other labor controversy, riot, civil disturbance, act of public enemy, law enactment, rule, restraint, order, or act of any governmental instrumentality or military authority, failure of technical facilities, failure, delay or reduction in transportation services, fire, explosion, destruction of the Pacific Amphitheatre or the destruction of District's facilities such that the OC Fair is cancelled or other cause not reasonably within either Party's control and which renders either party's performance impossible, infeasible, or unsafe ("Force Majeure Event"), then either party may cancel any performance and neither party shall have any further liabilities and/or obligations in connection therewith.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**CONFLICT OF LAWS OR TERMS**

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. In the case of conflict between the District/State Documents and Artists Documents, the District/State Documents shall prevail if the parties can not mutually agree upon a resolution of the conflict.

**MOST FAVORED NATIONS**

**Current State Employees (Pub. Contract Code §10410):**

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

**EXHIBIT D – SPECIAL TERMS AND CONDITIONS (CONT.)**

**Former State Employees (Pub. Contract Code §10411):**

1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

**2. LABOR CODE/WORKERS' COMPENSATION:**

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. **4. CONTRACTOR NAME CHANGE:**

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

**5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:**

- a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
- b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT**

**SHOW STARTING TIMES**

Each party shall adhere to all starting and ending times as indicated on the contract face.

**CURFEW**

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

**PAYMENT**

Contractor shall be paid by District check in the amount specified in this agreement immediately upon completion of performance. At least ten (10) days prior to performance date, Contractor shall submit to District an accurately completed and signed State of California Std. 204 ("Payee Data Record"). Contractor may be subject to applicable California State *non-resident entertainer* withholding taxes by the State of California Franchise Tax Board (FTB). Contractor acknowledges and agrees District is **required** to withhold seven percent (7%) of payments to *nonresident* bands, orchestras, plays, dance teams, circuses, and other performing entities if all payments by the District to Contractor exceed \$1,500 for the calendar year. A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, [www.ftb.ca.gov](http://www.ftb.ca.gov) and search "Nonresident Entertainment Withholding Procedures." Additional references for information can be found at [www.ftb.ca.gov](http://www.ftb.ca.gov), [www.ftb.ca.gov/forms/2008/08\\_1017.pdf](http://www.ftb.ca.gov/forms/2008/08_1017.pdf) and [www.ftb.ca.gov/forms/2012/12\\_1017.pdf](http://www.ftb.ca.gov/forms/2012/12_1017.pdf).

Contractor acknowledges and understands that in the event Contractor fails to furnish a completed and signed Payee Data Record to the District prior to the Artist's performance date, the District is required to deduct the *nonresident* seven percent (7%) withholding from Contractor payment. The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The facility will be open to the public approximately 60 minutes prior to the start of the show. There shall be no exceptions to these stated times. These requirements are necessary to meet safety and crowd control procedures set by the State of California Fire Marshal and the Orange County Sheriff's Department.

**DECIBEL LEVEL**

Contractor shall comply with all decibel and sound level requirements as detailed in Exhibit F – Pacific Amphitheatre Decibel Level and Sound Covenant.

**MEDIA – WEB SITE**

The District requests that the Contractor place specific information about the OC Fair on the Artist website. Information may include the contracted entertainer's name, date, time of performances at the OC Fair, and a web-link to OC Fair website ([www.ocfair.com](http://www.ocfair.com)).

**MEDIA – INTERVIEW**

The District also requests that the contracted Artist consent to at least one fifteen (15) minute promotional interview with a local radio station, to be selected by the District, in advance of their performance at the OC Fair. Please contact the District's Communications Department at (714) 708-1559 to coordinate the interview. The foregoing is subject to Artist's prior approval and availability.

**MEDIA – VIDEO**

Local affiliates of national television networks, upon issuance of proper District press credentials and approval of Artist's representative, may be allowed to videotape up to three (3) minutes of performance for non-commercial news purposes only and subject to advance with Artist's management. The District actively discourages all non-legitimate videotaping activity.

**MEDIA – STILL PHOTOGRAPHY**

Representatives of legitimate press organizations, upon issuance of proper District press credentials, may be allowed to photograph a portion of the performance for local, non-commercial review purposes only, subject to Contractor's approval. The District actively discourages all non-legitimate use of still photography.

**HOSPITALITY**

The District will provide meal service chosen from a District determined menu. District will use Artist's contract rider as a guide, but will be the final determiner of the meal that is served. Accommodations will be made for vegetarian meals upon request. Additional food and beverage service (i.e. tour bus food service) may be requested by the Artist at the Artist's expense from the on-site caterer. Catering itself will be capped at \$3,000.00 versus the cost of Artist's touring personnel staff for meals and dressing room riders, whichever is lower. After show food and bus stock is not provided. The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

Unless contracted, personal Contractor needs, including, but not limited to such items as massage, health care professionals and hairstylists are the financial responsibility of the Contractor. Runners are available on the performance day only and within a 15 mile radius.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

**INSURANCE**

If Artist's performance involves the active participation of the audience in the act or any hazardous activity is part of the entertainment act, including, but not limited to, pyrotechnics, Contractor shall notify the District and meet all requirements for General Liability coverage as required by the California Fairs Services Authority prior to the performance. No indemnification, hold harmless or additional insured certificate will be provided to Contractor by the District.

**WORKERS' COMPENSATION INSURANCE**

Contractor warrants that it maintains Workers Compensation Insurance for Contractor and Contractor's employees in the amounts and to the extent required by law.

To the extent required by law, Contractor will comply with Section 3700 of the California Labor Code, which requires every employer be insured against liability for workers compensation claims or to undertake self-insurance in accordance with the provisions of the Code immediately upon hiring any employee and before commencing the performance of this Agreement.

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**DRUGS & PARAPHERNALIA**

The District has enacted a very strict anti-drug policy for the facility. As such, Contractor agrees that Artist shall not discuss illegal drug use, use illegal drugs, employ gestures mimicking the use of illegal drugs, or show paraphernalia employed in the use of illegal drugs during Artist's performance or at any time while Artist is on stage.

**CONFLICT OF LAWS OR TERMS**

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. In the case of conflict between the District/State Documents and Artists Documents, the District/State Documents shall prevail if the parties can not mutually agree upon a resolution of the conflict.

**MOST FAVORED NATIONS**

The terms of this Agreement shall be on a most favored nations basis with all other artists performing at the OC Fair in the year of Artist's Performance(s).

**FORCE MAJEURE CLAUSE**

If as a result of any Act of God, war, accident, fire, strike, lock-out, or other labor controversy, riot, civil disturbance, act of public enemy, law enactment, rule, restraint, order, or act of any governmental instrumentality or military authority, failure of technical facilities, failure, delay or reduction in transportation services, fire, explosion, destruction of the Pacific Amphitheatre or the destruction of District's facilities such that the OC Fair is cancelled or other cause not reasonably within either Party's control and which renders either party's performance impossible, infeasible, or unsafe ("Force Majeure Event"), then either party may cancel any performance and neither party shall have any further liabilities and/or obligations in connection therewith.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

If Artist's performance involves the active participation of the audience in the act or any hazardous activity is part of the entertainment act, including, but not limited to, pyrotechnics, Contractor shall notify the District and meet all requirements for General Liability coverage as required by the California Fairs Services Authority prior to the performance. No indemnification, hold harmless or additional insured certificate will be provided to Contractor by the District.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. Additional references for information can be found at [www.ftb.ca.gov](http://www.ftb.ca.gov), [www.ftb.ca.gov/forms/2008/08\\_1017.pdf](http://www.ftb.ca.gov/forms/2008/08_1017.pdf) and [www.ftb.ca.gov/forms/2012/12\\_1017.pdf](http://www.ftb.ca.gov/forms/2012/12_1017.pdf).

Contractor acknowledges and understands that in the event Contractor fails to furnish a completed and signed Payee Data Record to the District prior to the Artist's performance date, the District is required to deduct the *nonresident* seven percent (7%) withholding from Contractor payment. The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The facility will be open to the public approximately 60 minutes prior to the start of the show. There shall be no exceptions to these stated times. These requirements are necessary to meet safety and crowd control procedures set by the State of California Fire Marshal and the Orange County Sheriff's Department.

**DECIBEL LEVEL**

Contractor shall comply with all decibel and sound level requirements as detailed in Exhibit F – Pacific Amphitheatre Decibel Level and Sound Covenant.

**MEDIA – WEB SITE**

The District requests that the Contractor place specific information about the OC Fair on the Artist website. Information may include the contracted entertainer's name, date, time of performances at the OC Fair, and a web-link to OC Fair website ([www.ocfair.com](http://www.ocfair.com)).

**MEDIA – INTERVIEW**

The District also requests that the contracted Artist consent to at least one fifteen (15) minute promotional interview with a local radio station, to be selected by the District, in advance of their performance at the OC Fair. Please contact the District's Communications Department at (714) 708-1559 to coordinate the interview. The foregoing is subject to Artist's prior approval and availability.

**MEDIA – VIDEO**

Local affiliates of national television networks, upon issuance of proper District press credentials and approval of Artist's representative, may be allowed to videotape up to three (3) minutes of performance for non-commercial news purposes only and subject to advance with Artist's management. The District actively discourages all non-legitimate videotaping activity.

**HOSPITALITY**

The District will provide meal service chosen from a District determined menu. District will use Artist's contract rider as a guide, but will be the final determiner of the meal that is served. Additional food and beverage service (i.e. tour bus food service) may be requested by the Artist at the Artist's expense from the on-site caterer. Catering itself will be capped at \$3,000.00 versus the cost of Artist's touring personnel staff for meals and dressing room riders, whichever is lower. After show food and bus stock is not provided. The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**DRUGS & PARAPHERNALIA**

Each party shall adhere to all starting and ending times as indicated on the contract face.

**CURFEW**

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

**PAYMENT**

Contractor shall be paid by District check in the amount specified in this agreement immediately upon completion of performance. At least ten (10) days prior to performance date, Contractor shall submit to District an accurately completed and signed State of California Std. 204 ("Payee Data Record"). The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

**2. LABOR CODE/WORKERS' COMPENSATION:**

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

**3. AMERICANS WITH DISABILITIES ACT:**

Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

**4. CONTRACTOR NAME CHANGE:**

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

**5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:**

- a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
- b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT**

**SHOW STARTING TIMES**

Each party shall adhere to all starting and ending times as indicated on the contract face.

**CURFEW**

There is a strict 10:00 pm curfew in effect unless an extension of curfew is approved in writing by the Chief Executive Officer of the District prior to the performance. If this curfew is not adhered to, Contractor may be liable and subject to litigation and fines by the State of California for breach of contract.

**PAYMENT**

Contractor shall be paid by District check in the amount specified in this agreement immediately upon completion of performance. At least ten (10) days prior to performance date, Contractor shall submit to District an accurately completed and signed State of California Std. 204 ("Payee Data Record"). Contractor may be subject to applicable California State *non-resident entertainer* withholding taxes by the State of California Franchise Tax Board (FTB). Contractor acknowledges and agrees District is **required** to withhold seven percent (7%) of payments to *nonresident* bands, orchestras, plays, dance teams, circuses, and other performing entities if all payments by the District to Contractor exceed \$1,500 for the calendar year. A waiver or reduced amount of withholding can be *initiated by the non-resident entertainer*, using Franchise Tax Board forms. For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, [www.ftb.ca.gov](http://www.ftb.ca.gov) and search "Nonresident Entertainment Withholding Procedures." Additional references for information can be found at [www.ftb.ca.gov](http://www.ftb.ca.gov), [www.ftb.ca.gov/forms/2008/08\\_1017.pdf](http://www.ftb.ca.gov/forms/2008/08_1017.pdf) and [www.ftb.ca.gov/forms/2012/12\\_1017.pdf](http://www.ftb.ca.gov/forms/2012/12_1017.pdf).

Contractor acknowledges and understands that in the event Contractor fails to furnish a completed and signed Payee Data Record to the District prior to the Artist's performance date, the District is required to deduct the *nonresident* seven percent (7%) withholding from Contractor payment. The District is unable to reissue payment checks the day of performance. If Contractor subsequently provides the Payee Data Record to the District showing Contractor is a California resident, the District shall issue a check in the amount of the difference owed and paid Net 10.

**PUBLIC ACCESS TO FACILITY**

The facility will be open to the public approximately 60 minutes prior to the start of the show. There shall be no exceptions to these stated times. These requirements are necessary to meet safety and crowd control procedures set by the State of California Fire Marshal and the Orange County Sheriff's Department.

**DECIBEL LEVEL**

Contractor shall comply with all decibel and sound level requirements as detailed in Exhibit F – Pacific Amphitheatre Decibel Level and Sound Covenant.

**MEDIA – WEB SITE**

The District requests that the Contractor place specific information about the OC Fair on the Artist website. Information may include the contracted entertainer's name, date, time of performances at the OC Fair, and a web-link to OC Fair website ([www.ocfair.com](http://www.ocfair.com)).

**MEDIA – INTERVIEW**

The District also requests that the contracted Artist consent to at least one fifteen (15) minute promotional interview with a local radio station, to be selected by the District, in advance of their performance at the OC Fair. Please contact the District's Communications Department at (714) 708-1559 to coordinate the interview. The foregoing is subject to Artist's prior approval and availability.

**MEDIA – VIDEO**

Local affiliates of national television networks, upon issuance of proper District press credentials and approval of Artist's representative, may be allowed to videotape up to three (3) minutes of performance for non-commercial news purposes only and subject to advance with Artist's management. The District actively discourages all non-legitimate videotaping activity.

**MEDIA – STILL PHOTOGRAPHY**

Representatives of legitimate press organizations, upon issuance of proper District press credentials, may be allowed to photograph a portion of the performance for local, non-commercial review purposes only, subject to Contractor's approval. The District actively discourages all non-legitimate use of still photography.

The District will upon request, arrange for an independent company to rent any equipment to Contractor that may be required by Contractor in connection with Contractor's performance under this Contract; provided, however, the District will not be responsible for payment of rental equipment, unless otherwise specifically stated in the Contract or as mutually agreed upon in advance.

**HOSPITALITY**

The District will provide meal service chosen from a District determined menu. District will use Artist's contract rider as a guide, but will be the final determiner of the meal that is served. Accommodations will be made for vegetarian meals upon request. Additional food and beverage service (i.e. tour bus food service) may be requested by the Artist at the Artist's expense from the on-site caterer. Catering itself will be capped at \$3,000.00 versus the cost of Artist's touring personnel staff for meals and dressing room riders, whichever is lower. After show food and bus stock is not provided. The District will not provide alcoholic beverages and/or tobacco products as a part of this agreement.

Unless contracted, costs associated with the tour itself, including, but not limited to such items as hotel accommodations, travel fares, ground transportation, freight costs and backline are the financial responsibility of the Contractor.

Unless contracted, personal Contractor needs, including, but not limited to such items as massage, health care professionals and hairstylists are the financial responsibility of the Contractor. Runners are available on the performance day only and within a 15 mile radius.

**MERCHANDISING**

All merchandise sales are subject to a commission payable to the District. In the event any merchandise will be sold, please contact the District's Production Office. The Artist/Contractor shall provide the District with advance notification of Artist/Contractor's intent to sell merchandise. Unless otherwise indicated on the Contract face page, merchandising sales are subject to 70%/30% split with the venue selling the merchandise. CD sales will be subject to a 10% commission payable to the District. All merchandise sales are subject to these commission rates or as stated in the face of the Contract. Contractor will be responsible for paying sales tax and, in all instances, the foregoing split shall be paid after deduction of tax.

The District will provide adequate point(s) of sale. If the District is to provide individuals to handle sales transactions, notification to the District MUST be in advance or the District may be unable to provide individuals to handle the sales transactions. In addition to any commission due and owing to the District under the provisions of the Paragraph, Contractor is responsible for all salaries, fees, costs, and expenses incurred by the District in providing personnel responsible for the merchandising sales transaction.

**SPONSORSHIPS**

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. District agrees the signage for District's sponsors will not imply Artist/Contractor endorses the sponsor, its products, or services. Artist/Contractor shall not receive any revenues from any District sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. The District retains the right to have title and presenting sponsor banners located throughout the Amphitheatre, including the stage area.

**INSURANCE**

If Artist's performance involves the active participation of the audience in the act or any hazardous activity is part of the entertainment act, including, but not limited to, pyrotechnics, Contractor shall notify the District and meet all requirements for General Liability coverage as required by the California Fairs Services Authority prior to the performance. No indemnification, hold harmless or additional insured certificate will be provided to Contractor by the District.

**WORKERS' COMPENSATION INSURANCE**

Contractor warrants that it maintains Workers Compensation Insurance for Contractor and Contractor's employees in the amounts and to the extent required by law.

To the extent required by law, Contractor will comply with Section 3700 of the California Labor Code, which requires every employer be insured against liability for workers compensation claims or to undertake self-insurance in accordance with the provisions of the Code immediately upon hiring any employee and before commencing the performance of this Agreement.

**INDEMNIFICATION**

Purchaser and Producer agree to indemnify, defend and hold harmless each other and their officers, employees and agents from and against any liability, loss, expense (including reasonable attorneys' fees) or claim for injury or damages arising out of the performance of this Agreement, but only to the extent resulting from the negligence or willful misconduct of the indemnifying party, its employees, or agents.

**MISCELLANEOUS**

The performance may be emceed (i.e. "welcomed by") a local market radio station personality, which shall be selected by the District; however, upon request, Artist shall have the right to pre-approve any references to be made with respect to Artist. In no way shall this be considered a "co-promotion" or "presented by" situation. The Contractor will be informed of the station selected prior to the engagement.

**PROMOTIONAL MATERIAL AND ADVERTISING**

Contractor shall use Contractor's best efforts to provide materials, including biographical information and photographs, to the District for use in District's promotional and advertising material.

**DRUGS & PARAPHERNALIA**

As such, Contractor agrees that Artist shall not discuss illegal drug use, use illegal drugs, employ gestures mimicking the use of illegal drugs, or show paraphernalia employed in the use of illegal drugs during Artist's performance or at any time while Artist is on stage.

**CONFLICT OF LAWS OR TERMS**

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. In the case of conflict between the District/State Documents and Artists Documents, the District/State Documents shall prevail if the parties can not mutually agree upon a resolution of the conflict.

**MOST FAVORED NATIONS**

The terms of this Agreement shall be on a most favored nations basis with all other artists performing at the OC Fair in the year of Artist's Performance(s).

**FORCE MAJEURE CLAUSE**

If as a result of any Act of God, war, accident, fire, strike, lock-out, or other labor controversy, riot, civil disturbance, act of public enemy, law enactment, rule, restraint, order, or act of any governmental instrumentality or military authority, failure of technical facilities, failure, delay or reduction in transportation services, fire, explosion, destruction of the Pacific Amphitheatre or the destruction of District's facilities such that the OC Fair is cancelled or other cause not reasonably within either Party's control and which renders either party's performance impossible, infeasible, or unsafe ("Force Majeure Event"), then either party may cancel any performance and neither party shall have any further liabilities and/or obligations in connection therewith.

**EXHIBIT E – PACIFIC AMPHITHEATRE HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)**
