Board of Directors Governing Policy

Policy 3.0 – GOVERNANCE – MANAGEMENT CONNECTION

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

The Board’s sole official connection to the operational organization, its achievements and conduct will be through its General Manager and chief executive officer, referred to in these Governing Policies as “CEO.”

Board of Directors Governing Policy

Policy 3.1 – UNITY OF CONTROL

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

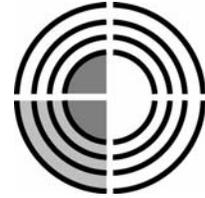

Only officially passed motions of the Board are binding on the CEO.

Accordingly:

1. Decisions or instructions of individual Board members, officers, or committees are not binding on the CEO unless the Board has explicitly delegated such exercise of authority.
2. If Board members or committees request information or assistance without Board authorization, the CEO should refuse such requests that, in his/her opinion, require an inappropriate amount of staff time or funds or are disruptive. The committee or Board member may then refer such requests to the full Board for consideration.

Board of Directors Governing Policy

Policy 3.2 – ACCOUNTABILITY OF THE CEO

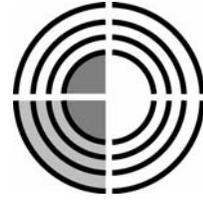

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

The CEO is the Board's only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the board is concerned, is considered the authority and accountability of the CEO.

Accordingly:

1. The Board will not give instructions to persons who report directly or indirectly to the CEO.
2. The Board will not evaluate, either formally or informally, any staff other than the CEO.
3. The Board will view CEO performance as identical to organizational performance, so that organizational accomplishment of Board stated Ends and compliance with Management Limitations will be viewed as successful CEO performance.

Policy 3.3 – DELEGATION TO THE CEO

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

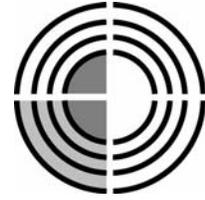

The Board will direct the CEO through written policies that prescribe the organizational Ends to be achieved, and describe organizational situations and actions to be avoided, allowing the CEO to use any reasonable interpretation of these policies.

Accordingly:

1. The Board will develop and maintain *Ends* policies instructing the CEO to achieve certain results, for certain recipients at a specified worth or priority. These policies will be developed systematically from the broadest, most general level to more defined levels. All issues that are not Ends issues as defined here are Means issues.
2. The Board will develop and maintain *Management Limitations* policies that limit the latitude the CEO may exercise in choosing the organizational means. These limiting policies will describe those practices, activities, decisions and circumstances that would be unacceptable to the Board, even if effective in producing the desired results. These policies will be developed systematically from the broadest, most general level to more defined levels. The Board will not prescribe organizational means delegated to the CEO.
3. An Ends or Management Limitations policy at a given level does not limit the scope of any preceding level.
4. As long as the CEO uses *any reasonable interpretation* of the Board's Ends and Management Limitations policies, the CEO is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities. Such decisions of the CEO shall have full force and authority as if decided by the Board.
5. The Board may change its Ends and Management Limitations policies, thereby shifting the boundary between Board and CEO domains. By doing so, the Board changes the latitude of choice given to the CEO. However, as long as any particular delegation is in place, the Board will respect and support decisions made by the CEO that are compliant with Board policy, as reasonably interpreted.

Board of Directors Governing Policy

Policy 3.4 – MONITORING CEO PERFORMANCE

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

The Board will systematically and rigorously monitor CEO job performance to determine the extent to which Ends are being achieved and whether operational activities fall within boundaries established in Management Limitations policies.

Accordingly:

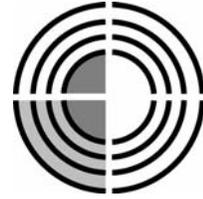

1. Monitoring is simply to determine the degree to which Board policies are being met. Information that does not address policy compliance will not be considered in the evaluation of CEO performance.
2. The Board will acquire monitoring data by one or more of three methods:
 - A. by internal report, in which the CEO discloses, in writing, policy interpretations and compliance information to the Board. As appropriate in a given context, the CEO may present information to justify his/her interpretation.
 - B. by external report, in which an external, disinterested third party selected by the Board assesses compliance with Board policies, as reasonably interpreted by the CEO, or
 - C. by direct Board inspection, in which a designated member or members of the Board assess compliance with the appropriate policy criteria, as reasonably interpreted by the CEO.
3. In every case, the standard for compliance shall be *any reasonable CEO interpretation* of the Board policy being monitored. The Board is the final judge of reasonableness, and will always judge with a “reasonable person” test (whether what the CEO did was what a reasonably prudent executive would do in that context), even if those choices may not be the choices the Board or its members may have made.
4. In every case, the Board will judge whether (a) the CEO’s interpretation is reasonable, and (b) whether data demonstrate accomplishment of or compliance with the CEO’s interpretation.
5. Actions determined to be not compliant with a reasonable interpretation of Board policies will be subject to a remedial process agreed to by the Board.
6. All policies instructing the CEO will be monitored at a frequency and by a method chosen by the Board. The Board may monitor any policy at any time by any method, but will ordinarily depend on the following routine schedule.

Board of Directors Governing Policy

Policy 3.5 – BOARD/LEGAL COUNSEL RELATIONSHIP

Date Adopted/Last Revised: December 11, 2008

Board – Management Delegation

The Association's legal counsel is provided by the office of the California Attorney General, which assigns a deputy attorney general to ensure that actions of the Association take place with competent legal counsel and representation.

1. Use of Legal Counsel.
 - A. Requests for legal information, action, or advice from the assigned Deputy Attorney General may be made only by the CEO or the Chair of the Board; or, in the absence of the Chair, the Vice-Chair.
 - B. When requests for legal information, action, or advice are transmitted to the assigned Deputy Attorney General, that individual shall be requested to respond to the individual making the request.
2. Job Products of Legal Counsel are privileged communications. The privilege is held by the Board of Directors. No individual officer, Director, or employee of the Association may waive this privilege, and no confidential communications from Legal Counsel may be disclosed to any person, firm, or entity in the absence of approval of a majority of a quorum of the Board of Directors.
3. Evaluation of Legal Counsel's performance.
 - A. The Board may monitor Legal Counsel's performance with respect to these expectations at any time, but the Board intends to monitor Legal Counsel's performance annually in November of each year. In the event the Board is dissatisfied with Legal Counsel's performance at any time, the Board will instruct the CEO to request the Attorney General to assign another deputy attorney general to represent the Association and the Board.

Board of Directors Governing Policy

Governance Process

Policy 4.0 – GOVERNANCE COMMITMENT

Date Adopted/Last Revised: December 11, 2008

The purpose of the Board, on behalf of the people of Orange County, is to ensure that the Association (1) achieves appropriate results for appropriate recipients at an appropriate cost (as specified in Board Ends policies), *and* (2) avoids unacceptable actions and situations.

Policy 4.1 – GOVERNING STYLE & VALUES

Date Adopted/Last Revised: December 11, 2008

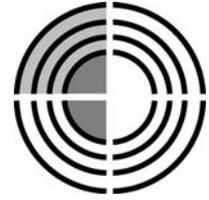

The Board will govern lawfully, observing Policy Governance principles, with an emphasis on (a) integrity and truthfulness in all of its activities and practices, (b) outward vision rather than internal preoccupation, (c) encouragement of diversity in viewpoints, (d) strategic leadership more than administrative detail, (e) clear distinction of Board and chief executive roles, (f) collective rather than individual decisions, (g) future rather than past or present, and (h) governing proactively rather than reactively.

Accordingly:

1. The Board will cultivate a sense of group responsibility. The Board, not the staff, will be responsible for excellence in governing. The Board will be the primary initiator of governing policy.
2. The Board may use the expertise of individual members to enhance the Board's understanding of issues, but will not substitute such expertise for the collective judgment of the Board.
3. The Board will direct, control and inspire the Association through the careful establishment of broad written policies reflecting the Board's values and perspectives. The Board's major focus will be on the achievement of intended long-term impacts for the community, not on the administrative or programmatic means of attaining those effects.
4. The Board will enforce upon itself whatever discipline is needed to govern with excellence. Discipline will apply to matters such as attendance, preparation for meetings, policymaking principles, respect of roles, adherence to board standards of conduct, and ensuring the continual development of governance capability.
 - A. Continual Board development will include periodic discussion of process improvement, and orientation of new Board members, within 30 days of their appointment, in the Board's governance process and these policies.
5. Although the Board may change its governing policies at any time, it will conscientiously observe those currently in effect.
6. All policies of the Board are contained in this document, and they remain in effect, unless amended or deleted by Board action.
7. The Board will allow no officer, individual or Board Committee to prevent the Board from fulfilling its duties and commitments.

POLICY 4.1: GOVERNING STYLE & VALUES (CONTINUED)

8. The Board will monitor and assess its process and performance at the completion of each meeting. Self-monitoring will include comparison of Board activity and discipline to Governance Process and Board-Management Delegation policies.
9. The Board's activities will be conducted in strict compliance with the Bagley-Keene Open Meeting Act and the California Public Records Act, as amended from time to time.
10. The Association will not discriminate on the basis of race, creed, national origin, ancestry, religion, age, disability, political affiliation, sex, sexual orientation, or marital, parental or military status.

Policy 4.2 – BOARD JOB PRODUCTS

Date Adopted/Last Revised: December 11, 2008

On behalf of the people of Orange County, the Board of Directors assumes direct responsibility for defining and ensuring appropriate organizational performance:

1. The Board will be the conduit linking the interests of the people of Orange County and operational performance.
 - A. Needs Assessment: The Board will assess the needs of the people of Orange County as they relate to the Association's activities and scope of influence, and will develop Ends policies identifying and prioritizing intended organizational outcomes to address those needs.
 - B. Advocacy: The Board will inform the people of Orange County of the Association's present accomplishments on their behalf, and expected future results.
2. The Board will develop and maintain written governing policies that realistically address the broadest levels of all organizational decisions and situations:
 - A. ENDS: Organizational products, effects, benefits, outcomes, recipients, and their relative worth (what good for which recipients at what cost/priority).
 - B. MANAGEMENT LIMITATIONS: Constraints on executive authority that establish the prudence and ethics boundaries within which all executive activity and decisions must take place.
 - C. GOVERNANCE PROCESS: Specification of how the Board conceives, carries out and monitors its own task.
 - D. BOARD/MANAGEMENT DELEGATION: How authority is delegated and its proper use monitored: the CEO's role, authority and accountability.
3. The Board will assure successful CEO performance on Ends and Management Limitations.
4. The Board will identify and seek to affect legislative and/or public policy change as it deems necessary and/or appropriate on behalf of the people of Orange County.
5. The Board will fulfill all legislative mandates, including but not limited to approving the annual operating budget in November of each year for submission to the California Department of Food and Agriculture.

POLICY 4.2: BOARD JOB PRODUCTS (CONTINUED)

- A. The CEO shall present the budget, with appropriate monitoring documentation, to the Board, each year no later than November.
- B. If the Board deems that the budget plan presented is compliant with the Board's Financial Planning/Budgeting policy, the Budget will be approved, and submitted to the CDFFA.
- 6. The Board will appoint two representatives to the Centennial Farm Foundation Board.
- 7. The CEO or the CEO's designee is the Association's representative to the following organizations: Western Fairs Association, California Fair Services Authority, and the California Construction Authority.

Policy 4.3 – AGENDA PLANNING

Date Adopted/Last Revised: December 11, 2008

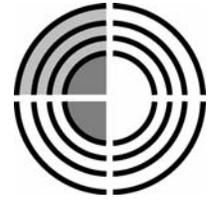

To fulfill its role, the Board will prepare and follow an annual workplan that (1) completes a re-exploration of Ends policies each year and (2) continually improves Board performance through Board education, enriched input and deliberation.

Accordingly:

1. The Board's annual planning cycle will conclude each year on the last day of September so that administrative planning and budgeting can be based on accomplishing a one-year segment of the Board's most recent statement of long-term Ends.
2. The cycle will start in October with the Board's development of its workplan for the next year.
 - A. Consultations with selected groups in the people of Orange County, or other methods of gaining ownership input, will be determined and arranged in the first quarter, to be held during the balance of the year.
 - B. Board education related to Ends issues (e.g. presentations by advocacy groups, staff, futurists, etc.), and education about governance and operational issues, will be determined and arranged in the first quarter, to be held during the balance of the year.
 - C. The Chair will, at the commencement of the Board's annual planning cycle, prepare and present for the Board's consideration a tentative agenda plan for the following year's meetings.
3. The Chair will determine the agenda for any particular meeting, although Board members may request or recommend any appropriate matters for Board consideration.
 - A. A Board member may recommend or request a matter for Board discussion by submitting the item to the Chair at least twelve (12) days prior to the regularly scheduled Board meeting.

POLICY 4.3: AGENDA PLANNING (CONTINUED)

- B. Meeting agendas are to be published ten (10) days before Board meetings and three (3) days before Board Committee meetings. All agendas must be prepared, published, and transmitted in strict compliance with all applicable requirements of the Bagley-Keene Open Meeting Act, as it may be amended from time to time. Packets with supporting documentation and preparatory materials for regular Board meetings are to be received by Board members at least six (6) days prior to the scheduled meeting. Packets with supporting documentation and preparatory materials for committee meetings are to be received by committee members at least two (2) days prior to the scheduled meeting.
 - C. By an affirmative vote of a majority of those present at a meeting, additional matters may be added to the agenda for discussion at any regular Board meeting, however the Board cannot act on any matter not appearing in that meeting's notice.
- 4. The Board will attend to its consent agenda (those "items delegated to the CEO yet required by law or contract to be Board-approved) as expeditiously as possible.
 - A. Before approval of the Consent Agenda, any Board member or member of the public may request removal and separate consideration of any one or more items from the Consent Agenda.
 - 5. At any meeting prior to which monitoring reports have been received, the board will determine by vote whether a majority of members judge each report to have demonstrated fulfillment of a reasonable interpretation of the applicable policy.
 - 6. In November, based on a summary/review of the Board's judgments of monitoring reports received during the last year, the Board will either confirm or adjust that the CEO is at the appropriate step within the state salary range for his/her position, with any changes to be effective January 1st.
 - 7. All Board meetings must be conducted in strict compliance with all applicable requirements of the Bagley-Keene Open Meeting Act, as it may be amended from time to time

Policy 4.4 – CHAIR’S ROLE & AUTHORITY

Date Adopted/Last Revised: December 11, 2008

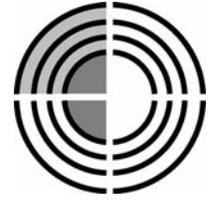

Serving as the Association’s chief governance officer (CGO), the Chair assures the integrity of the Board’s process, and secondarily, represents the Board to outside parties.

Accordingly:

1. The Chair’s job is to ensure that the Board behaves consistently with its policies and those legitimately imposed upon it from outside the Association.
 - A. Meeting discussion content will include only those issues that clearly (according to Board policy) belong to the Board to decide, consider, or to monitor.
 - B. Information that is not for monitoring performance, board education or board decisions will be avoided or minimized and always noted as such.
 - C. Deliberation will be fair, open, thorough, timely, orderly, and kept to the point.
2. The Chair is authorized to make decisions consistent with the Board’s Governance Process and Board/Management Delegation policies, with the exception of (a) employment/termination of the CEO, or (b) instances where the Board specifically delegates portions of this authority to others. The Board commits itself and its members to ethical, professional, and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

2. Board members are accountable for discharging their duties honestly and in good faith. Board members shall exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.
 - A. Preparation and Participation—Board members will review agenda materials in advance of Board and committee deliberations and will participate productively in discussions.
 - B. Attendance — As effective deliberations and decision-making require collaboration and participation, Board members are expected to attend Board meetings. Absence from more than four (4) of the Board’s ten (10) or eleven (11) regularly scheduled meetings in any (fiscal/Board planning) year will constitute that Board member being requested to resign from the Board.
 - i. In case of extenuating circumstances, a Board member may request a waiver to this provision. These waivers may be granted only by vote of the Board.
3. Board members must avoid conflict of interest with respect to their fiduciary responsibility.
 - A. There must be no self-dealing or any conduct of private business or personal services between any Board member and the Association.

POLICY 4.5: BOARD MEMBERS' CODE OF CONDUCT (CONTINUED)

 - D. Board members will annually complete a form disclosing their involvements and interests that could give rise to a conflict of interest, including but not limited to roles as directors or officers of other organizations, substantial business/investment holdings, or other transactions or affiliations with businesses and other organizations or those of family members.
4. Board members must not attempt to exercise individual authority over the Association.
- A. Board members' interaction with the CEO or with staff must recognize the lack of authority vested in individuals except when explicitly Board authorized.
 - B. Board members' interaction with public, media or other entities must recognize this limitation and that Board members are not to speak for the CEO, or to speak for the Board except to repeat explicitly stated Board decisions.
 - C. The CEO is accountable only to the Board as a whole, and not to individual Board members. Therefore, the relationship between the CEO and individual members of the Board, including the Chair, is collegial, not hierarchical.

Voluntarism — As the CEO is responsible for operational activities and results, members of the Board choosing, as individuals, to volunteer in operational capacities (those for which the Board holds the CEO accountable) are subject to the direct supervision of the CEO or responsible staff person
 - D. Except for participation in Board deliberation about whether the CEO has achieved any reasonable interpretation of Board policies, Board members will not publicly express individual judgments of performance of employees or the CEO.
5. A Board member aware of credible information that suggests that a Board policy has been violated, by either the Board or the CEO, has an affirmative obligation to bring the concern to the Board's agenda for monitoring.

Policy 4.6 – BOARD COMMITTEE PRINCIPLES

Date Adopted/Last Revised: December 11, 2008

Board committees, when used, have one essential role—to strengthen and support the work of the Board as a whole. Board committees are not to interfere with delegation from Board to the CEO, or from the CEO to other staff.

Accordingly:

1. Board committees may be established to help the Board do its job, not to help, advise or exercise authority over staff.
2. Board committees most commonly assist the Board by undertaking activities not delegated to the CEO, by preparing policy alternatives and implications for Board deliberation, or by performing specific monitoring functions.
3. Board committees may not speak or act for the Board except when formally given such authority for specific and/or time-limited purposes. The Board will carefully state its expectations and committee authority (in the “Board Committee Structure” policy) in order not to conflict with authority delegated to the CEO.
4. Because the CEO works for the full Board, he or she will not be expected to obtain approval of a Board committee before an executive action.
5. This policy applies to any group formed by Board action, whether or not it is called a committee and regardless of whether the group includes Board members. This policy does not apply to committees formed under the authority of the CEO.
