

Board Committee Report

MEETING DATE: AUGUST 4, 2020 ITEM NUMBER: 10A(v)

SUBJECT: **Legislative Committee**

DATE: August 25, 2020

FROM: Directors Aitken and Ruiz

PRESENTATION BY: Directors Aitken and Ruiz

SUMMARY OF COMMITTEE MEETING

- In March 2020, the District completed a thorough review of the materials for the Community Engagement Program.
- The District determined that there does not appear to be clear authority for the 32nd DAA to implement either the rent relief or nonprofit/community sponsorship components of the Community Engagement Program.
- The Legislative Committee is working with Gonsalves & Sons and Western Fairs Association to address the issue and seek potential legislative solutions when the legislature returns in January to allow the District to move forward with its Community Engagement Program.
- The California State Assembly and the State Senate will be in session through August 31, focusing on budget and COVID-19 related bills or anything determined to be pressing, and then recess until January, 2021.
- The Legislative Committee received an updated legislative report from Gonsalves & Sons on August 17, 2020 (see attached report).

FOLLOW-UP

The Legislative Committee will continue to work with Gonsalves & Sons and Western Fairs Association to seek a legislative solution for the Community Engagement Program. Once the legislature is back in session, the Committee will begin receiving weekly legislative reports from Gonsalves & Sons.

Summary: Current federal law provides for the allocation of federal funds through the federal Temporary Assistance for Needy Families (TANF) block grant program to eligible states. Existing law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program under which, through a combination of state and county funds and federal funds received through the TANF program, each county provides cash assistance and other benefits to qualified low-income families. Existing law, until January 1, 2021, requires the State Department of Social Services to implement and maintain a nonbiometric identity verification method in the CalWORKs program. This bill would repeal the January 1, 2021, repeal date, thereby extending that provision indefinitely, and would also provide, commencing July 1, 2020, that the methods approved by the department as of July 1, 2018, satisfy that requirement for nonbiometric identity verification methods in the CalWORKs program.

Summary: Current state law establishes the California Health Benefit Exchange (the Exchange) within state government, known as Covered California, specifies the powers and duties of the board governing the Exchange, and requires the board to facilitate the purchase of qualified health plans by qualified individuals and qualified small employers. Current law prohibits a member of the board from being employed by, a consultant to, a member of the board of directors of, affiliated with, or otherwise a representative of, a carrier or other insurer, an agent or broker, a health care provider, or a health care facility or health clinic while serving on the board or on the staff of the Exchange and from receiving compensation for service on the board, except as specified. This bill would create an exception to that prohibition by authorizing a member of the board or of the staff of the Exchange to perform volunteer services under specified conditions, including that the member or staff does not receive compensation, as described, for rendering services and does not have an ownership interest in the entity, facility, clinic, or provider group.

For the 2020–21 fiscal year, the apportioned payment to the Teachers' Retirement Fund is an amount to pay in advance a part of the contributions required of the employers for the 2020–21 fiscal year that results in a reduction of employer contributions of 0.70 percentage point for that fiscal year from the percentage set by another specified provision. Current law requires the uncommitted remainder of the payment to be allocated to reducing the employers' unfunded actuarial obligations, as specified. This bill would revise the application of the 2018–19 fiscal year General Fund appropriation described above.

Summary: Current law authorizes the Department of Corrections and Rehabilitation to maintain and operate a comprehensive pharmacy services program for facilities under its jurisdiction and requires the program to incorporate a statewide Correctional Pharmacy and Therapeutics Committee with prescribed responsibilities (program committee). The Pharmacy Law provides for the licensure of correctional clinics and correctional pharmacies. The Pharmacy Law defines "correctional pharmacy" to mean a pharmacy, licensed by the board, located within a correctional facility for the purpose of providing drugs to a correctional clinic and providing pharmaceutical care to inmates of the correctional facility. This bill would revise the definition of "correctional pharmacy" to mean a pharmacy licensed for the purpose of providing drugs and pharmaceutical care to inmates of the Department of Corrections and Rehabilitation and would not require that the correctional pharmacy be located within a correctional facility.

Summary: The Personal Income Tax Law, beginning on or after January 1, 2015, in modified conformity with federal income tax laws, allows an earned income tax credit against personal income tax, and a payment from the Tax Relief and Refund Account for an allowable credit in excess of tax liability, to an eligible individual that is equal to that portion of the earned income tax credit allowed by federal law as determined by the earned income tax credit adjustment factor, as specified. The law provides that the amount of the credit is calculated as a percentage of the eligible individual's earned income and is phased out above a specified amount as income increases. The law deems, for each taxable year beginning on or after January 1, 2018, and before January 1, 2019, the California Consumer Price Index as the greater of 3.1% or the percentage change in the California Consumer Price Index for the recomputation of specified earned income amounts, phaseout amounts, and the amount of disqualified income that would disallow this credit. This bill, for taxable years beginning on or after January 1, 2019, and before January 1, 2020, would deem the California Consumer Price Index as the greater of 3.5% or the percentage change in the California Consumer Price Index for the recomputation of those specified amounts.

Summary: Current law requires a tax return filed with the California Department of Tax and Fee Administration (CDTFA) that reports gross receipts for sales and use tax purposes to segregate the gross receipts of the seller and the sales price of the property on a line or a separate form when the place of sale in this state or for use in this state is on or within the real property of a state-designated fair, as defined, or any real property of a state-designated fair that is leased to another party. Current law requires, on or before November 1 of each year, the CDTFA to report to the Department of Finance the total gross receipts segregated on these tax returns, and that 3/4 of 1% of the total gross receipts be included in the next annual Governor's Budget for use by the Department of Food and Agriculture for allocation to fairs and that those funds be transferred by the Controller to the Fair and Exposition Fund in the State Treasury, as prescribed. This bill would, for the 2019-20 fiscal year and all subsequent fiscal years, make the total gross

receipts subject to review by the CDTFA for errors.

Summary: The Personal Income Tax Law, beginning on or after January 1, 2015, in modified conformity with federal income tax laws, allows an earned income tax credit against personal income tax and a payment from the Tax Relief and Refund Account. Current law, in conformity with federal income tax laws, disallows the credit to an eligible individual with a qualifying child if the individual does not include on the tax return the social security numbers of that individual, the individual's spouse if married, and any qualifying child of the individual. Current law, for purposes of this disallowance and in conformity with federal income tax laws, excludes specified social security numbers, including those issued to individuals who are applicants for or recipients of benefits under any program financed in whole or in part from federal funds. This bill, for taxable years beginning on or after January 1, 2020, would remove the exclusion of the above-described social security numbers, and would additionally allow the earned income tax credit to an eligible individual who has, or whose spouse has, a qualifying child younger than 6 years old, as specified, if that individual includes on the tax return the federal individual taxpayer identification number of the eligible individual, eligible individual's spouse if married, and a qualifying child who is younger than 6 years old, as specified.

Summary: The Alcoholic Beverage Control Act provides that nothing in that law prohibits specified licensees from giving or selling beer, wine, or distilled spirits, as applicable, to certain nonprofit organizations, as specified, at prices other than those contained in schedules filed with the Department of Alcoholic Beverage Control.
