Hello CEO's and Board President

In 2016, F&E sent a circular letter titled D2016-06 that addresses procurement of insurance for general liability and worker's compensation. This letter is being sent out to DAAs as a reminder that Government Code section [11007.7](#) (c)(4) restricts the sources from where DAAs may procure insurance. DAAs are required to obtain general liability or worker's compensation insurance coverage through either DGS or through CFSA.

Please ensure that this information is shared with the fair board at the next regularly scheduled board meeting listed as an item of correspondence.

Thanks

Mike

D2016-06

TO: District Agricultural Associations, CEOs

SUBJECT: Procurement of Insurance for DAA's

This letter is written to inform District Agricultural Associations (DAAs) that acquiring insurance services from commercial sources outside of the California Department of General Services (DGS) or the California Fair Services Authority (CFSA) is not an option. DAAs with existing private insurance policies should forward policy information to the Fairs & Exposition Branch for review and further direction.

Government Code section 11007.7(c)(4) restricts the sources from where DAAs may procure insurance (i.e., general liability and workers' compensation insurance). Accordingly, DAAs are required to obtain insurance coverage through either DGS or through the CFSA.

DGS provides insurance services through its Office of Risk and Insurance Management (ORIM) and, alternatively, CFSA is the Joint Powers Authority (JPA) that offers an insurance pool for fairs. Inquiries regarding purchasing insurance from either of these two entities should be directed to:
