EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. 2. The OCFEC Venue production management team will provide the list of all production company employees to the Production/Security Liaison and OCFEC Pacific Amphitheatre backstage security manager, along with an adequate number of single day passes/silks to cover that list and any verified add-ons for that day.

The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.

2. OCFEC security will be posted at the entrance to the VIP area to verify customers' identification and check them off the list.

3. If customers checking in with security are not on the approved list OCFEC security will contact the visiting Production Manager who must physically come to the VIP area for the approval of a person being added to the list.

4. All alcohol service at the OCFEC must be through the OCFEC's Master Concessionaire at a cash or host bar, and staffed by trained OCFEC or Master Concessionaire employees.

5. Each individual that wants to purchase or consume alcohol in the Pacific Amphitheatre back stage area, including the hospitality room, must be wearing an OCFEC wristband. The individual must wear the OCFEC wristband on his or her right wrist. Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

   - Below are examples of Meet & Greets and VIP:

   a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

The Pacific Amphitheatre Production Manager must visually confirm the identity of the individual requesting access before granting that access.

4. If an individual presents an acceptable credential, pass or identification card for inspection, or if the Pacific Amphitheatre Production Manager or visiting Production Manager has approved access, the individual, along with his or her belongings, must pass a security inspection to prevent any dangerous, hazardous or other prohibited items from entering the venue. Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

6. After the individual has entered the venue on foot or in a vehicle via the Loading Ramp, OCFEC security staff will assure that the Loading Ramp gate is then re-secured to prevent unauthorized access.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.

Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

    - Below are examples of Meet & Greets and VIP:

    a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

4. If an individual presents an acceptable credential, pass or identification card for inspection, or if the Pacific Amphitheatre Production Manager or visiting Production Manager has approved access, the individual, along with his or her belongings, must pass a security inspection to prevent any dangerous, hazardous or other prohibited items from entering the venue. Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

PROCEDURE FOR: The use of Pacific Amphitheatre VIP area and Meet & Greets.

PPE (Personal Protective Equipment): None.

Purpose: To ensure alcohol service and consumption remains in accordance with Master Concessionaire's liquor license rules and regulation.

Procedure: 0009

1. Access to this area is restricted to VIPs, a list will be provided by the visiting Production Manager to OCFEC Pacific Amphitheater Security Manager and Director of Entertainment. (per attached layout)

2. OCFEC security will be posted at the entrance to the VIP area to verify customers' identification and check them off the list.

3. If customers checking in with security are not on the approved list OCFEC security will contact the visiting Production Manager who must physically come to the VIP area for the approval of a person being added to the list.

4. All alcohol service at the OCFEC must be through the OCFEC's Master Concessionaire at a cash or host bar, and staffed by trained OCFEC or Master Concessionaire employees.

5. Each individual that wants to purchase or consume alcohol in the Pacific Amphitheatre back stage area, including the hospitality room, must be wearing an OCFEC wristband. To obtain an OCFEC wristband, the individual must provide legal identification and verify that he or she is the legal drinking age (21 years or over). The individual must wear the OCFEC wristband on his or her right wrist. Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

   - Below are examples of Meet & Greets and VIP:

   a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

9. This procedure will be added to all contracts as an attached addendum.

PROCEDURE FOR: Access to the Pacific Amphitheatre through Loading Ramp Security Checkpoint.

PPE (Personal Protective Equipment): None

Purpose: To ensure that all persons and vehicles accessing the Pacific Amphitheatre via the Loading Ramp located on the *West* or *3rd Base* side of the Pacific Amphitheatre are in possession of the appropriate credential, pass or identification card required for entry.

Procedure: 0011

If no credential, pass or identification card is presented, access will be denied.

3. OCFEC security staff shall contact and coordinate with the Pacific Amphitheatre Production Manager to assist any individual without an appropriate credential, pass or identification card that claims a need to access the Pacific Amphitheatre loading dock area for an authorized purpose. The Pacific Amphitheatre Production Manager must visually confirm the identity of the individual requesting access before granting that access.

4. If an individual presents an acceptable credential, pass or identification card for inspection, or if the Pacific Amphitheatre Production Manager or visiting Production Manager has approved access, the individual, along with his or her belongings, must pass a security inspection to prevent any dangerous, hazardous or other prohibited items from entering the venue. Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

6. After the individual has entered the venue on foot or in a vehicle via the Loading Ramp, OCFEC security staff will assure that the Loading Ramp gate is then re-secured to prevent unauthorized access.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and (3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract.

3. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

Q. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.

R. Failure of the District to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.

S. Sponsor recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Sponsor may be subject to the payment or property taxes levied on such interest.

T. The District shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.

U. The parties hereto agree that Sponsor, and any agents and employees of Sponsor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the District.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and

will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT G - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

1. PST BACKGROUND

In response to the Federal Omnibus Budget Reconciliation Act of 1990, the state established the PST Program as a mandatory retirement program for state employees hired after August 1, 1991 who are not covered by Social Security and are presently excluded from the California Public Employees' Retirement System (CalPERS) because of time base or length of appointment as defined in the Savings Plus 457(b) Deferred Compensation Plan Document. STATEMENT OF WORK

1. PAYROLL DEDUCTION FILES

Orange County Fair agrees to submit accurate payroll deduction data in accordance with the terms and timing set forth by the CalHR as stated herein. If no payroll data is available because there were no employee deductions to report during any given processing period, Orange County Fair must notify CalHR accordingly by either providing an email notification to CalHR accounting or a zero-dollar contribution file to CalHR. CalHR will audit every payroll cycle for either the email notification or the zero-dollar contribution file. CalHR will impose a failure to report fee per payroll cycle for which no email notification or file was received. Review Exhibit B, Attachment 1, Fee Schedule for details. The fee will be assessed on a monthly basis as a result of the audit, as outlined in Exhibit B, Attachment 1, Fee Schedule.

California Administrative Code, Title 2, Sections 599.944 Article 27, 599.946 Article 27.6, and Section 1803, Underfunded Savings Plus Accounts of CalHR's Online HR Manual at calhr.ca.gov, require that 401(k) and 457(b) plans' withholdings post by the first business day following the prior pay period. Loan repayments will be a direct debit. A loan repayment must continue until a stop notification is received on a 650 Report.

California Administrative Code, Title 2, Section 559.945 Article 27.5 requires that PST withholdings must post as soon as practicable, but no later than 15 business days after the paycheck was issued that reflects the deduction.

2. MAIN PLAN (401(K) AND 457(B) PLANS)

Main Plan deductions include dollar and percentage based, pre-tax, and Roth deductions. All repayments for new loans are being processed via ACH direct debit, however repayments for loans established prior to January 1, 2016 were accepted only by payroll deduction. Loan repayments via payroll deduction will continue until these loans are paid in full and/or a stop notification is received on a 650 report, Payroll loan deductions may include repayments for up to two loans per plan for a maximum of four loans. Effective April of 2017, participants were limited to one loan per plan. However, loan repayment via payroll deduction for participants who had two loans per plan prior to April 2017 will continue until the loan is paid in full. Under no circumstance is the Orange County Fair or any of its subsidiaries authorized to impose an independent processing fee to its employees for deductions related to any of the Savings Plus Plans.

Orange County Fair is responsible for reviewing deduction files for accuracy prior to submitting to CalHR.

DocuSign Envelope ID: EFE26AE3-1EA6-46C4-9E00-E12D97EEF51C

3. 650 REPORT

The 650 Report applies to 401(k) and 457(b) deductions such as pre-tax, Roth, and loan repayment deductions.

Orange County Fair employees who are eligible for membership in CalPERS, or are actively contributing to the PST Program, are entitled to contribute to the Main Plan as part of the state employment benefit package. Their participation is not subject to Orange County Fair approval nor are they required to submit any additional forms beyond those provided by Savings Plus.

CalHR reports to Orange County Fair new employee deductions, deduction changes, and deduction stops made by an employee by posting the 650 Report on the CalHR extranet no later than the 4th business day of each month. In most cases, Orange County Fair designated representative will receive an email notification when the 650 Report includes requests from Orange County Fair employees.

Orange County Fair is responsible for inputting the employee's deduction request (whether it be pre-tax or Roth, dollar or percentage) in its payroll system so that the appropriate deduction is taken from the employee's payroll within the same month and reported to CalHR on the next payroll deduction file.

Failure to process the deduction requests provided on the 650 Report may result in the participant's account becoming underfunded. California Administrative Code, Title 2, Sections 599.944 Article 27, 599.946 Article 27.6, and Section 1803, Underfunded Savings Plus Accounts of CalHR's Online HR Manual at calhr.ca.gov requires the entity responsible for the error to pay:

A. All lost earnings that would have been deposited in the account if the error had not occurred;

B. Corrective contributions which may equal up to 50% of the deduction amount an employee elected but was unable to make[19]; and

C. Five hundred dollars ($500) per underfunded account, to cover administrative costs.

D. The entity responsible for the error may not deduct from or offset the funding against any employee's compensation. CalHR will determine the amount of lost earnings required to make the account whole.

[19] This penalty may apply dependent upon when the error was discovered and the pay center's notification to the employee. Contact Savings Plus as soon as the error is discovered to avoid maximum penalties.

DocuSign Envelope ID: EFE26AE3-1EA6-46C4-9E00-E12D97EEF51C

4. SUBMIT PAYROLL DEDUCTION FILES ELECTRONICALLY

A. FTP SITE: FTP.DPA.CA.GOV

Orange County Fair may use the FTP site as a secure way to submit electronic payroll deduction files to CalHR. Electronic files must follow CalHR file format requirements.

Orange County Fair is responsible for logging into the CalHR extranet following submission of an electronic file and ensuring that the data loaded correctly and reflects the correct file total. CalHR will reject any files in which the deductions within the file do not reconcile to the total amount shown in the file footer or in which the file total does not reconcile to the Electronic Fund Transfer (EFT) (via ACH or wire) total. In cases in which the file does not reconcile by cutoff, the file will be considered underfunded and will be subject to a Delinquent File fee as outlined in California Administrative Code, Title 2, Sections 599.944 Article 27, 599.945 Article 27.5, 599.946 Article 27.6 and Section 1803, Underfunded Savings Plus Accounts of CalHR's Online HR Manual at calhr.ca.gov.

5. NAMING CONVENTION

The file name is a coded formula that allows CalHR systems to automatically recognize and process the file as soon as it is received. For that reason, the file name must be exact. The file name will contain the Fair Code, Pay Period Year and Month, and the Processing Period as follows:

XXXX_FairContribution_YYYY
MM_#.txt

6. FILE TOTALS

Fair	Processing Period Year &	Processing

Files contain total deduction, which may be used to cross check what was manually keyed. This will help identify any typos or human errors before the processing period closes.

The file total is the last row of the file and it only contains three fields. For

example: 183|183|11842.15

Total Record count and total record amount.

7. CHECKLIST

Task Name	Task Description
File name is correct:	XXXX_FairContribution_YYYYMM_#.txt Fair – Processing Period Year & – Processing

Task Name	Task Description
File Header is correct:	02|2014|1|20140206|50XX Month – Processing Period Year – Processing – File – Fair
Format is Correct	Pipe delimited, with at least 15 pipes across each row. State should always say “CA” not cali, or Cali, or Ca. Also, the city and state should be separated by a pipe delimitation. **11|2012|2|20121123|5026**
Deduction total is correct:	After you submit the FTP file, review the last line in the file, which is the trailer record. It contains 3 pipe delimited sections as follows: total number of records, total number of deductions, and the total deduction amount. Make sure the total deduction amount is identical to the penny when compared to total deductions in the extranet site.
