Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

    - Below are examples of Meet & Greets and VIP:

    a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

5. Contractor serviced a minimum of one (1) equivalent venue in 2018 and/or 2019

SCOPE OF WORK:

A. OVERVIEW OF CURRENT SOUND MONITORING AND MITIGATION

A general awareness of all District sound systems is important to understand the critical task of maintaining specific sound levels for all areas in order to minimize the overall impact of sound from the property onto surrounding neighborhoods. Four (4) primary sound systems exist within the confines of the district property, all of which are included in the scope of the RFP. In addition to the four (4) systems described below, there maybe be other stages and/or noise generating activities on grounds such as carnival and food stand PA/sound systems, etc. that Contractor may be engaged by the District to address.

1. Pacific Amphitheatre

a. The Pacific Amphitheatre is an 8,200-seat, open-air outdoor venue which currently consists of a large line array speaker system along with complex stage monitoring systems.

b. This venue is primarily used during the annual OC Fair as a premier music venue, typically featuring a 23-day headline concert series with acts such as Steve Miller Band, the OffSpring, The B-52s, and Alan Jackson. Most recently, the summer concert series has been expanded to include up to 10 additional shows (pre- and post-Fair).

c. During the annual OC Fair, the venue generally operates Wednesday through Sunday from 7:00 pm to 10:00 pm.

d. Year-round events may include Pacific Symphony, Easter Sunday services, commencement ceremonies, music festivals and expanded headline concerts throughout the year.

e. All events with amplified sound taking place at the Pacific Amphitheatre require sound monitoring and mitigation services determined by the District.

f. A Decibel Level and Sound Covenant for the Pacific Amphitheatre was established as a result of litigation brought against the District regarding noise complaints and must be adhered to at all times. Details of the Covenant are included below in Paragraph 5.A and 5.B

g. A detailed plan view of the Pacific Amphitheatre is included in Part IX, Attachment B.

2. The Hangar

a. The Hangar is a 23,000 square foot semi-enclosed concert and event venue with seating for approximately 1,430 people and additional standing room for 225 individuals.

b. During the annual OC Fair, various community acts and presentations take place on stage throughout the day, followed by a mid-level headliner/tribute band performance and video presentation at night. In addition, a multimedia show with pyrotechnic display takes place above The Hangar/Main Mall area each night of the OC Fair and includes a musical accompaniment.

c. During the annual OC Fair, the venue typically operates from Wednesday through Friday 12:00 noon to 11:00 p.m. and on Saturday and Sunday from 11:00 a.m. to 11:00 p.m.

d. The Hangar sound system for the annual OC Fair currently consists of a line- array based stage system and includes two (2) small arrays flown outside to cover a portion of the Main Mall. The current sound system design is intended to focus the sound into the audience area using a high-Q line array approach. This approach currently includes a cardioid sub-woofer array, with the requirement to reduce, as much as possible, rear speaker radiation.

e. System frequency response is intended to cover the range of 50 Hz to 12 kHz +/- 4 dB in all seating and audience areas in The Hangar (Main Mall system excluded).

f. Year round, The Hangar is used for a variety of events, including boxing and other fighting events, music festivals, food festivals, corporate events, community performances, etc. Sound monitoring and mitigation services will be required on an event-by-event basis.

g. A detailed plan view of The Hangar has been included in Part IX, Attachment C.

3. Action Sports Arena

a. The Action Sports Arena is an outdoor, opened-air venue, with fixed grandstand and temporary seating for approximately 6,000 people and additional standing room for 500 individuals.

b. During the annual OC Fair, the venue typically operates Wednesday through Friday from 7:00 p.m. to 11: 00 p.m. and Saturday and Sunday from 6:00 p.m. to 11:00 p.m.

c. Events held during the annual OC Fair include X-Treme sports, Freestyle Moto-X, Speedway Motorcycle races, Monster Trucks, Demolition Derby and Rodeo activities.

d. Year round, events in the Action Sports Arena include weekly auto races facilitated by International Speedway May through September.

e. In 2014, the District installed a permanent, multi-zoned, directional, high- performance sound system in order to maximize sound levels for the audience while minimizing out-of-venue sound and nuisance noise. The speaker type, focus and placement are designed to minimize sound spill into nearby populated areas. The District system includes all amplifiers, processing and speakers for the four audience grandstands.

f. A detailed plan view of the Action Sports Arena has been included in Part IX, Attachment D.

4. Heritage Stage

a. The Heritage Stage is an outdoor, open-air venue which accommodates seating for approximately 750 people with additional standing room in the open Park Plaza area surrounding the stage.

b. During the annual OC Fair, this venue typically operates Wednesday through Friday from 12:00 p.m. to 11:00 p.m. and Saturday and Sunday from 11:00 a.m. to 11:00 p.m.

c. Performances take place on stage include community acts during the day and professional entertainment at night such as a hypnotist, dance groups, acrobats, etc.

d. Contractors shall utilize all appropriate sound mitigation measures to ensure the system does not negatively impact OC Fair patron experience in other venues as well as neighboring housing areas.

e. The current design includes a small flown speaker system and front fill speakers, in order to adequately cover the audience area, while keeping the bulk of the sound energy confined to the audience footprint and allowing, for overflow, a lower level of operation, due to the rear field listening experience.

f. The current system consists of a main L/R house system, cardioid subwoofers (mandatory), front filled system and a fully functioning stage monitoring system.

g. A plan view detail of the Heritage Stage has been included in Part IX, Attachment E.

5. Pacific Amphitheater Decibel Level and Sound Covenant

Property-wide noise mitigation is required, including compliance with the Pacific Amphitheatre Decibel Level and Sound Covenant detailed below which is included in all Pacific Amphitheatre performance contracts.

The following limitations on sound generated by events in the Pacific Amphitheatre as detailed in Paragraph A below have been established pursuant to litigation in the case of Orange County Fair Preservation Society v. 32nd District Agricultural Association, Orange County Superior Court No. 30-2012-00538751 and cannot be exceeded under any circumstances. Further, in support of the standards in Paragraph A below, the District maintains decibel maximums for sound generated by events as witnessed by listening tests and measurements at various locations within the District property and surrounding housing areas. These restrictions are detailed in Paragraph B below. By entering into the agreement to provide entertainment at the Pacific Amphitheatre, the Contractor specifically agrees to abide by these limits and the directives of the designated Sound Monitor or other designee.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner’s participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Re: RFI #1, Q & A, RFP # SM-08-21R

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the RFP Sound Monitoring and Mitigation Consulting Services. All terms and conditions of the original RFP notice remain unchanged.

Questions and Answers

Clarifications: The District will not reject any proposals that do not follow clerical instructions, including page numbering, the presentation of the proposal as a single continuous document, or the sequencing of the parts of the proposal as mentioned anywhere in the RFP. For example, where the RFP seeks information for items a, b, c, d in section one, and the Bidder provides the necessary information in its proposal but in a different order (e.g., a, b, d, and c), this would not serve as grounds for rejection of the proposal so long as the bid provides all of the requested information. The District encourages all Bidders to follow all instructions carefully, and double check all submissions, including for example, financial calculations required signatures, etc.

The District suggested each bidder to limit proposal attachments up to five when transmitting the bid proposal, in PDF format (Including Financial Proposal Bid Form), and only one email, not multiple emails. The District will work with each bidder to ensure the District receives Bid Proposals in the timely manner through Wetransfer.com. The District will not consider any bid proposal that is not received by the District's network server by the RFP submission deadline.

After you submit your bid proposal, please send an email to rfp@ocfair.com to notify the District for tracking purposes.

Questions and Answers:

Question 1a: On page 30 of the RFP, it states, "The proposal will be scored according to the **quality of the response**, both physical and **interpretive**, for the following criteria. The Bidder who receives the highest score will be awarded the contract".

On page 4 of the RFP, it sates, "Careful review of final submittal is highly recommended as reviewers will not make interpretations or correct detected errors in calculations".

These two sections of the RFP seem to be in conflict with each other- either the District will be interpreting or it won't- which is it?

Answer to Question 1a: Page 30 of the RFP refers to scoring of proposals and page 4 of the RFP "Calculations" refers to financial calculations. These portions of the RFP speak for themselves and require no further explanation.

Question 1b: It seems highly unfair for the District to interpret, as the RFP clearly states that bidder is to demonstrate all claims in their bid response.

In addition, if the District is allowed to interpret, it can easily score the bid to allow selection of any bidder they deem to fit their requirements, whatever the requirements may be, based on the Districts unpublished and unexplained interpretations. How is this fair?

Answer to Question 1b: The District will review and score all proposals consistent with the procedures and requirements set forth in the RFP.

Question 1c: For the sake of all bidders, please make sure your scoring processes are exactly as they pertain to the requirements you have set forth in the RFP- to do otherwise is highly unfair.

Please explain how you will make sure scoring is fair to all bidders this time and how you intend (if you do intend) to follow the requirements you have set forth in your own RFP.

Explain what you mean when you state that the bid will be scored according to …'the quality of response…"

Explain in detail all your intentions. Please answer this entire question in detail.

Answer to Question 1c: The District will review and score all proposals consistent with the procedures and requirements set forth in the RFP and in accordance with California law.

Question 2. We successfully protested under the terms and conditions of the RFP and the laws of California following the last bid for this same RFP. The State Department of General Services upheld our successful protest, and the District simply chose to put the RFP out for bid again, seemingly ignoring our protest and the DGS decision.

Please explain what venue a bidder has, other than protesting an award, in light of the fact that the District will ultimately (it seems) do whatever it wants? This seems highly unfair to Bidders who do their best to fully comply with RFP's and protests. According to the statements made in the RFP- it seems the District will do whatever it so chooses, regarding any and all bids, and, even regarding contract awards and contract performance.

If the District is requiring Bidders to fully comply and meet all RFP requirements, the District must also legally comply and must be sending out RFP's that are clear, unambiguous - this simply has not been the case. Bids must also be scored to the exact terms, verbiage and intent in the RFP- it's not fair for the District to do whatever it wants in this bid process, District must be at least as accountable as the bidders. No interpretations- follow to the letter in your own RFP. This bid process seems to be fully one-sided via the District.

Please explain how District will fairly review, score, be held accountable and comply with their own RFP requirements this time. Please answer this entire question in detail.

We are not a disgruntled bidder- we are honestly trying to understand the process so we can legally comply and present a fully responsive and compliant bid.

If, as evidenced by our protest, the District chooses to not participate in the protest process, please clearly state what avenues a bidder can pursue, other than a legal protest, to hold the District accountable and that the District would find acceptable?

Based on our protest, it seems, the process really is:

1) A bidder protests under the terms of the RFP and under the terms set forth by the Department of General Services and California law.
2) DGS accepts the protest as valid.
3) District and the Proposed Awardee are allowed to state their sides and defend their bid and reason for award.
4) Proposed Awardee delivers a detail statement, District does not deliver any statement at all upholding their decision to award.
5) Protestant submits a rebuttal.
6) DGS makes a decision.

7) In our case, DGS upheld our protest.
8) Rather than award to the successfully protesting bidder, District chooses to completely ignore the entire protest process, and DGS decision, as well as the requirements they set forth in their RFP, and send the bid out again.

On page 11 of the RFP, it states, 'It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re-advertise this RFP; postpone or cancel, at any time, this RFP process, or waive any irregularities in this RFP. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the District

Seems to be a very one-sided process, with no accountability required on the part of the District, and, with the District holding all the cards… Comments??

I am sure all bidders would value this information. What does the District have to say? Please be as accountable as you want all bidders to be- how can bidders insure District accountability?

Answer to Question 2: Proposes should refer to the RFP, at Part III, Section A.f, which states:

"It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re advertise this RFP; postpone or cancel, at any time, this RFP process, or waive any irregularities in this RFP. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the District."

Question No. 3: On page 4 of the RFP, it states**, '…**Certification of satisfactory contract performance is required'. Please explain the certification process pertaining to this statement.

Answer to Question No. 3: Proposers should refer to the RFP, at Part II, Section A, which states:

"The agreements options are to be exercised independently and at the sole discretion of the District. Certification of satisfactory contract performance is required. Extensions may involve renegotiation of certain areas."

The District completes an internal process before exercising an option year. The District's Contract Manager completes the Contractor Performance Evaluation Form to certify whether the Contractor achieved satisfactory performance.

Question No. 4: Does the District feel it has colluded with any bidder(s) pertaining to this RFP, or its previous RFP for these services?

Answer to Question No. 4: No - the District reviewed and scored all proposals submitted in response to RFP No. SM-08-20 consistent with the procedures and requirements set forth in the RFP and in accordance with California law. The District will review and score all proposals submitted in response to this RFP consistent with the procedures and requirements set forth in the RFP and in accordance with California law.

Question No. 5: On page 4 of the RFP, it states, **'**Proposals must be electronically submitted prior to the closing time and by e-mail* to RFP@ocfair.com. Failure to meet these requirements will result in an unaccepted proposal. *District's e-mail servers cannot receive files larger than 12MB. Files larger than 12MB will not be received and will result in an unaccepted proposal. Proposals must meet the following format requirements to be deemed responsive for District consideration:

A. One (1) PDF copy of the entire proposal as well as one (1) Microsoft Word copy (where applicable).

B. Proposals must be sent via **email to RFP@ocfair.com VIA wetransfer.com** no later than **April 16, 2021, 11:00 a.m.** - Pursuant to the law, no proposals shall be considered which have not been received at the place by the closing time, stated in this RFP'.

You are asking for the bid to be submitted via email, **OR** WeTransfer? Which is it? In all likelihood, our bid and perhaps others, will be larger that 12 MB- if we send by WeTransfer only, is this OK and acceptable? Or?

If we do not send our bid as a Word document, will it be rejected? Sending a bid as a Word document is burdensome and complex when a bid contains many different documents, derived from differing sources/formats. We prefer to send only a PDF file.

Answer to Question No. 5: The District will accept proposals in PDF format. If the proposal file(s) are larger than 12MB, Proposers must send the proposal via wetransfer.com. If the proposal file(s) are smaller than 12MB, Proposers can send the proposal via email to rfp@ocfair.com

Question No. 6: There will be no mandatory walk-through, is this correct?

Answer to Question No. 6: We are currently not able to accommodate a site visit. Proposers are encouraged to view the property via google earth to become familiar with the surrounding area and neighborhoods. Bidders are welcome to drive around the surrounding property.

Question No. 7: The RFP states that a financial response form, in the form of an Excel spreadsheet was provided with the RFP and is a mandatory requirement. No such excel spreadsheet was provided on the OC Fair bid page pursuant to this RFP. If this is required, please supply the form you wish us to submit.

Answer to Question No. 7: There is no separate excel spreadsheet. See Addendum #2 to the RFP. Please note that Bidders must use the Financial Proposal Bid Form that the District provided in the RFP.

Question No. 8: Do you have an anticipated number of hours, each day, during Fair time, that you require us to be present on the property, performing our duties?

Same question applies to non-Fair events- do you have an anticipated number of hours, each day, that you will require us to be on property performing our duties?

Answer To Question No. 8: The anticipated number of hours present on the property should be included by Proposer as part of its sound mitigation plan. The District's expectation is that sound monitoring occur primarily (but not exclusively) after 5:00pm during Fair time.

Question No. 9. We have requested letters of recommendation form OC Fair, as that is our primary qualifying work. For the previous bid, we stated that OC Fair could not provide letters for us based on their concern that providing such would be a conflict of interest. OC Fair acknowledged this challenge for us and said we would not be scored down based on this. Will this be true this time, as well?

Answer No. 9:
A Proposer's submission of a letter of recommendation from the OC Fair will not result in disqualification. The District will review and score all proposals consistent with the procedures and requirements set forth in the RFP, including but not limited to the letters of recommendation from clients serviced by Proposer.

Question No. 10: Page 30 of the RFP states, 'Bidder will complete three (3) Financial Proposal Bid Forms, all required forms in Part X - Forms, and include a print and electronic copy with the proposal'.

Is it OK to provide one electronic form only, and, as the form will be an Excel spreadsheet given to us by OC Fair, is it OK for us to submit the Excel spreadsheet as a PDF file, to help ensure that values don't get changed after the fact? Is a print copy also required?

In this same section of the RFP, it states, FINANCIAL MUST BE MINIMUM OF 30% OF _TOTAL SCORES) …'

What does this mean- is it an error, or??

Answer to Question No. 10: Proposers should refer to RFP, Addendum #2.

Question No. 11: In the RFP, on page 52, the form A-3, near the bottom of the form, states, 'ARE YOU CLAIMING DVBE INCENTIVE?

Are you a primary California Certified DVBE? YES _____ NO_____

If yes, refer to Attachments 3, 4 for documents to be submitted

If no, do you commit to meeting DVBE participation of 1% up to 5% to a California certified DVBE? YES NO __

Regarding the last question, if we are NOT using a DVBE and we are not committing to using a DVBE participation of 1% up to 5%, are we disqualified as not answering the form question and not using a DVBE?

Is using a DVBE in some form or other, required by this RFP, or the state of California?

Will this result in a lower score, disqualification, or? The form seems to imply that we must use a DVBE in some form or other?

If we answer, '**NO**' to both questions, is that disqualifying or resulting in a lower score or is some other judgement passed based on this answer?

Answer to Question No. 11: A "NO" response to both questions will not result in disqualification or in a lower score. However, if the Bidder claims DVBE certified or commits to meeting DVBE participation of 1 % up to 5%, that Bidder will receive additional incentive scores. The additional incentive scores will be calculated in accordance with the State Contract Manual.

Question No. 12. In the RFP, page 11, it states:

d. Definitions
The use of "shall," "must" or "will" indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal. In the Scope of Work, all mandatory requirements are indicated by an asterisk (*), see Part V.

Upon examining the Scope of works, I don't see an asterisk (*) used anywhere in Part V? Please explain in detail.

Answer to Question No. 12: The RFP speaks for itself. RFP, at Part III, Section d, defines the terms "shall," must" and "will" for purposes of the RFP. The scope of work contained in the RFP defines the services and requirements to be performed by the Contractor.

Question No. 13: On page 30 of the RFP, scoring is discussed.

On page 33 (near bottom) there is a second item 'a.'. This should have been a continuation, making it item 'c.'.

On page 34 of the RFP, items 'b', 'c',' d' and 'e' are added and explained.

On the scoring description page in the RFP- page 30, under '3. Experience and ability to perform', the additional items (b, c, d, e) listed on page 34 of the RFP are not included in this section.

Additionally, there are no score points associated with the additional items. This is a mistake; please tell us how you are going to correct it.

Answer to Question No. 13: Please see Addendum #2.

Question No. 14: The request for financial references really does not apply to this kind of technical RFP- that kind of request is usually reserved for more service-oriented bids (sound, lighting, janitorial, golf carts, etc.). Is this an error? Do we need to supply this information?

Answer to Question No. 14: It is the intention of the District to ensure the winning Bidder is financially secure and able to provide services in consideration of the District's payment term. As a State Agency, the District is prohibited from issuing any pre-payment for services. Please also see Addendum #2.

Question No. 15: The request for an operations plan is covered in other parts of the RFP, basically, so this is a bit of duplication. Do we need to repeat this information here?

Answer to Question No. 15: No.

Question No. 16: Regarding attaching proof of insurance, in other parts of the RFP, you are stating that such proof is required upon award, not the bid process. Are we to include this?

Answer to Question No. 16: Please see Addendum #2.

Question No. 17: Requesting sub-contractors and suppliers is also out of place for this bid- that, again, relates to a more service/supply contract (gold carts, etc.). Please explain what you'd like us to do.

These errors have added more contradictions and confusion to your RFP. Please correct and explain what we are to do.

Answer to Question No. 17: Form A-5 - Bidder Declaration is a required form and must be completed and submitted with the Proposal as instructed in the RFP. This is a State form that requires a Bidder to list all subcontractors and suppliers, including Small Business Preference and DVBE Incentive.

Question No. 18: Why are some sections highlighted in yellow and/or red? What significance should we glean from this?

Answer to Question No. 18: Sections highlighted in yellow and/or red have no significance for Bidders. The highlighted colors are for internal use only.

Question No. 19: Page 19 Part V Section 2.A.5.B - Contractor is defined in Part I as "Refers to that Bidder selected by the District to provide the services set forth in this RFP. Terms can be used interchangeably."

In 2.A.5.B the three paragraphs beginning with "Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restriction." It would seem that the word "Contractor" in Section 2.A.5.B refers to the Sound System Vendor, not the Sound Monitor. Please confirm that this section is being interpreted correctly and is included in the RFP for reference only and does not imply that the Sound Monitor Contractor scope includes actual operation of the sound system.

Answer to Question No. 19: The "Contractor" reference in the scope of work, is the same as item A.5. The Sound Monitor Contractor scope does not include actual operation of the sound system.

Question No. 20: Page 21 Part V Section 2.A.5.C - Is there a scheduled time period for audio baseline testing as described? Can we assume that audio baseline testing will be required each time a new sound system is installed at an OC Fair Venue? For example, prior to the OC Fair and also prior to each non-Fair event that brings in an outside sound vendor to provide a sound system.

Answer to Question No. 20: The District will take the recommendations of the Contractor on baseline testing needs with new sounds systems in any OC Fair Venue during fair or non-fair events.

Question No. 21. Page 28 Part V Section 4 - Please provide the designated prevailing wage determination for Sound Monitor technicians under this contract.

Answer to Question No. 21: Bidders must comply with prevailing wage rules and regulations if the State requires and may obtain prevailing wage rates at https://www.dir.ca.gov/OPRL/DPreWageDetermination.htm

Question No. 22: Page 34 Part VII Section D - Please provide a direct link to the required spreadsheet.

Answer to Question No. 22: Please refer to Addendum #2.

Please send email to RFP@ocfair.com or kvu@ocfair.com for acknowledgement if you're intended to bid on this project.

It is mutually agreed that the District is relying upon the Contractor's specific representation and warranty that it has the proper Workers Compensation Insurance and that the Contractor will indemnify and hold harmless the District in the event it did not have the insurance.

Contractor further certifies that by signing this Agreement, Contractor will comply with such provisions under Section 3700 of the California Labor Code, which requires every employer to be insured against liability for workers compensation claims or to undertake self-insurance in accordance with the provisions of the Code immediately upon hiring any employee and before commencing the performance of this Agreement.

INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the 32nd District Agricultural Association, the OC Fair & Event Center, the State District and their respective agents, directors, and employees from and against all claims, damages, losses, and expenses, of every kind, nature and description (including, but not limited to, attorneys fees, expert fees, and costs of suit), directly, or indirectly, arising from, or in any way related to the performance or nonperformance of this Agreement, regardless of responsibility of negligence; by reason of death, injury, property damage, or any claim arising from the alleged violation of any state or federal accessibility law, statute or regulation, (including but not limited to, the Americans With Disabilities Act, and/or any state, local, successor, or comparable provision of law) however caused or alleged to have been caused, and even though claimed to be due to the negligence of the State. EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

Contractor acknowledges that Contractor acts under this Agreement as an independent contractor charged with the responsibility, in Contractor's sole discretion, for selection, performance, reproduction and use of such musical, literary and artistic works as contractor deems appropriate and that Contractor undertakes strict compliance with all laws respecting copyrights and the performance, reproduction and use of musical, literary and artistic works.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner’s participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Should the show carry a co-headliner, support or an opening act, that number will be reduced proportionately. Contractor's guests will be subject to a parking charge at the event. If available, the Contractor may purchase additional tickets through the OC Fair box office.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

    - Below are examples of Meet & Greets and VIP:

    a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price.     d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

    - Below are examples of Meet & Greets and VIP:

    a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

4. If an individual presents an acceptable credential, pass or identification card for inspection, or if the Pacific Amphitheatre Production Manager or visiting Production Manager has approved access, the individual, along with his or her belongings, must pass a security inspection to prevent any dangerous, hazardous or other prohibited items from entering the venue. Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. After the Pacific Amphitheatre Production Manager or visiting Production Manager has inspected the individual's credential, pass or identification card and approved entry, and after the individual has successfully passed through the Loading Ramp Security inspection checkpoint, that individual will be required to sign and date the Guest Log. **Additional information such as "who authorized entry" shall be confirmed and recorded if guest was not found to be on the pre-authorized guest list.*

6. After the individual has entered the venue on foot or in a vehicle via the Loading Ramp, OCFEC security staff will assure that the Loading Ramp gate is then re-secured to prevent unauthorized access.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below
   100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

   OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. Covid-19 Release and Waiver of Liability. As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

   respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business

Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Ramp security will add that employee's name to the access list, and provide that employee with a single day pass.
7. If a visiting production team member is not wearing identification, they will be asked to stop work until they can be verified and a pass provided. The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

4. All alcohol service at the OCFEC must be through the OCFEC's Master Concessionaire at a cash or host bar, and staffed by trained OCFEC or Master Concessionaire employees.

5. Each individual that wants to purchase or consume alcohol in the Pacific Amphitheatre back stage area, including the hospitality room, must be wearing an OCFEC wristband. To obtain an OCFEC wristband, the individual must provide legal identification and verify that he or she is the legal drinking age (21 years or over). The individual must wear the OCFEC wristband on his or her right wrist. Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

    - Below are examples of Meet & Greets and VIP:

    a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

    d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

2. OCFEC security will be posted at the entrance to the VIP area to verify customers' identification and check them off the list.

3. If customers checking in with security are not on the approved list OCFEC security will contact the visiting Production Manager who must physically come to the VIP area for the approval of a person being added to the list.

4. All alcohol service at the OCFEC must be through the OCFEC's Master Concessionaire at a cash or host bar, and staffed by trained OCFEC or Master Concessionaire employees.

5. Each individual that wants to purchase or consume alcohol in the Pacific Amphitheatre back stage area, including the hospitality room, must be wearing an OCFEC wristband. To obtain an OCFEC wristband, the individual must provide legal identification and verify that he or she is the legal drinking age (21 years or over). The individual must wear the OCFEC wristband on his or her right wrist. Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

   - Below are examples of Meet & Greets and VIP:

   a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price. Generally involved a line-up like above but with a lot more people. Experience may also include merchandise and/or a sound check option. Alcohol is not served but guests can purchase alcohol in the concourse. Large meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Artists and band members performing at the OCFEC that are over the legal drinking age (21 years or over) are not required to comply with the wrist band requirement under this policy.

   - Below are examples of Meet & Greets and VIP:

   a) Small (10 – 30 people) - meet & greet with performer(s), performer guests and Fair guests. Usually involves a photo op and sometimes a corresponding signing. Venue guests will queue at a pre-designated spot and meet with the performer one-by-one. Performer guests are generally taken first and often from a different line. Alcohol is not served but guests may purchase alcohol in the concourse. Small meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   b) Medium (31 -49 people) - meet & greet with performer(s), performer guests and Fair guests. Some performers are more open to the M&G option and therefor more people could be in attendance. Same basic format as above. Alcohol is not served but guests may purchase alcohol in the concourse. Medium meet & greets can be in Orchestra pit/ramp area or other non-backstage area as appropriate or in VIP area.

   c) Large (50 – 100 people) "VIP" Upsell meet & greet – fans can purchase the experience either through the performer site, or they can be built into the ticket price.    d) Large (75 – 150 people) "VIP" meet & greet. This could be an upsell or just friends of the band. This is a gathering more than a funnel of people coming and going. There is typically alcohol involved and the duration is longer than a meet and greet. Depending on the nature of gathering, it could include merchandise or other benefits. These meet & greets will be in VIP area.

6. Meet and greets will be coordinated by the assigned OCFEC Event Coordinator, said coordinator will work with OCFEC Pac Amp security manager and staff. All guests will be on the lists provided.

7. All guests will be given a specific color meet and greet wristband, sticker or other distinguishable identification.

8. The event coordinator will ensure the guests are escorted in and out.

Security inspections include, but are not limited to: Bag or other personal item inspection, walk-thru metal detection devices, and additional hand-held metal detecting devices.

5. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.

For access to the applicable forms, and for further information, refer to the State of California Franchise Tax Board website, www.ftb.ca.gov and search "Nonresident Entertainment Withholding Procedures." EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
   As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
   Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
   Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
   Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

   Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

   All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

   All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

   OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – OC FAIR & EVENT CENTER PROCEDURES

PROCEDURE FOR: Visiting Production Management staff and their employees wearing identification in the Pacific Amphitheatre and back stage.

PPE (Personal Protective Equipment): Closed-toe shoes and steel toe work shoes/boots where appropriate and other PPE as required by task and OSHA guidelines.

Purpose: To ensure all visiting production management staff and their employees are properly wearing identification.

Procedure: 0006

1. In advance of any OCFEC show or concert, the visiting production management will provide the OCFEC Venue production management with a complete list of all production employees in order to best facilitate their access into the venue.
2. The OCFEC Venue production management team will provide the list of all production company employees to the Production/Security Liaison and OCFEC Pacific Amphitheatre backstage security manager, along with an adequate number of single day passes/silks to cover that list and any verified add-ons for that day.
3. The OCFEC security employees will verify the identification of all production company employees entering the OCFEC facility and check each production company employee against the pre-printed list of authorized personnel once that employee enters the facility. OCFEC security employees will verify the identity and access authorization of each production company employee at the security checkpoint at the top of the Pacific Amphitheatre load-in ramp. (see OCFEC Pacific Amphitheater Loading Ramp Access Procedure)
4. Some or all visiting production employees will carry pre-existing tour credentials. Visiting tour managers or production managers will provide tour credentials in advance of the scheduled performance. Venue production management will disseminate tour credentials to Production/Security Liaison and OCFEC Pacific Amphitheatre backstage security. Submittal of these passes by tour or production manager will serve as verification of their authenticity and ramp security will honor them for entry into the venue.
5. All visiting production team members must wear tour approved and supplied identification in a visible area upon their person. If for any reason a visiting production team member is not wearing his or her credential, the Tour Manager must provide one to them. Alternatively, if the visiting Tour Manager verifies the production team member, but a tour credential is unavailable, an OCFEC day pass can be provided.
6. If an individual at the OCFEC security checkpoint is not on the approved list, OCFEC security will contact the Venue production managers. The venue production managers will confer with the tour team to determine access. Once confirmed, the venue production manager will approve or deny access to the Production/Security Liaison and ramp security. Ramp security will add that employee's name to the access list, and provide that employee with a single day pass.
7. If a visiting production team member is not wearing identification, they will be asked to stop work until they can be verified and a pass provided. The venue production manager or designate, or Entertainment Director should always be consulted before anyone is asked to leave. If verification cannot be made, and the venue production manager, designate or Entertainment Director has been consulted, the person may be escorted out.
8. If any OCFEC Contractor continuously violates any OCFEC procedure, management may ask the Contractor to replace that employee until they are able to comply.
9. This procedure will be added to all contracts as an attached addendum.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**
As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**
Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**
Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**
Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **EVENT ATTENDANCE LIMITATIONS**

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OFCEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC BUSINESS PARTNER COMPLIANCE**

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. **COVID-19 RELEASE AND WAIVER OF LIABILITY**

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **EVENT ORGANIZATION PROTOCOLS**

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.
