The agreement options are to be exercised independently and at the sole discretion of the District. Certification of satisfactory contract performance is required. Extensions may involve renegotiation of certain areas.

B. BIDDER RESPONSIBILITY

Bidders shall read all documents thoroughly as the District shall not be responsible for errors or omissions on the part of the Bidder. Careful review of final submittal is highly recommended as reviewers will not make interpretations or correct detected errors in calculations.

C. DELIVERY OF PROPOSALS

Proposals must meet the following format requirements to be deemed responsive for District consideration:

1. One (1) PDF copy of the entire proposal must be sent via email to **RFP@ocfair.com via WETRANSFER.COM** no later than January 13, 2021, 11:00 a.m. It is recommended that bidders keep the proposal up to 3 attachments maximum.

E. CONTRACT AWARD

Each Bidder's financial proposal is evaluated and scored by the Committee. Small Business preference will be given where applicable. The highest potential benefit to the District is awarded the maximum points, fifteen (15). Other proposals are awarded points based on the following calculation:
$$\text{Highest Proposer's Benefit divided by other proposal (factor) X maximum cost points} = \text{benefit points for other proposer}$$

$$\text{Lowest Proposer's Cost divided by other proposal (factor) X maximum cost points} = \text{cost points for other proposer}$$

The maximum points to be awarded based on financial proposal is 30 (total of benefit score and cost score). If the contract is awarded, it shall be granted to the qualified responsible Bidder who receives the highest overall score. Prior to the Board of Directors of the 32nd District Agricultural Association awarding a contract, the District shall post a "Notice of Proposed Award" at the Administration Office for five (5) working days. - protests filed, if any, have been withdrawn or rejected by the Department of General Services.
- It is approved by the District Board of Directors during a public meeting. The District Board of Directors, in its sole and absolute discretion, may decide not to approve any contract following the RFP process and the District shall have no obligation to reimburse any Bidder for any costs of fees incurred as a result of this RFP.

I. SMALL BUSINESS PREFERENCE

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to Bidders who qualify as a small business. The rules and regulations of this law, including the definition of a small business for the delivery of service, are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulations is available upon request.

To claim the small business preference, which may not exceed \$50,000 for any proposal, Bidder's company must have its principal place of business located in California and have a complete application (including proof of annual receipts) on file with the State Office of Small Business and Disabled Veteran Business Enterprise (OSDS). Questions regarding the preference approval process should be directed to the OSDS, 707 Third Street, 1st Floor, Room 400, West Sacramento, California 95605, (916) 375-4940.

If Bidder is claiming the 5% small business preference, a copy of Bidder's OSDS Small Business Certification should be submitted with the proposal (Print from <https://caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx> is also acceptable)

Non-small business Bidders may be granted a five percent (5%) non-small business subcontractor preference on a bid evaluation when a responsible non-small business Bidder includes notification that it commits to subcontract at least twenty five percent (25%) of its net bid price with one or more small businesses. Bidder must submit a list of the small businesses it commits to subcontract with for a commercially useful function in the performance of the contract. The list of sub-contractors shall include the subcontractor's name, address, phone number, description of work to be performed and dollar amount of percentage for each subcontractor.

Small business preference qualification information must be included in all bid documents. This must include procedures for claiming small business preference, microbusiness preference, and non-small business contractor/small business subcontractor preference processes. *Note: A non-small business, which qualifies for this preference, may not take an award away from a certified small business.*

Also, proof of Workers' Compensation Insurance is required by the Bidder awarded the contract.

K. PRE-CONTRACTUAL EXPENSES

Pre-contractual expenses are defined as expenses incurred by Bidder in: 1) Preparing the proposal in response to this request; 2) Submission of said proposal to the District; 3) Negotiating any matter related to this proposal; 4) Any travel expenses in conjunction with this proposal, and 5) Any other expenses incurred by Bidder prior to contract commencement date.

The District shall not, in any event, be liable for any pre-contractual expenses incurred by the Bidder. Bidder shall not include any such expenses as part of the price as proposed in response to this RFP.

L. SIGNATURE

The Proposal Forms, Certifications, Letters, and all Documents must be signed with the firm's name as indicated. A proposal by a corporation must be signed by a duly authorized officer, employee or agent.

M. PRE-AWARD AUDIT

Prior to contract award, the selected Bidder may be required to undergo an audit of their proposed costs and prices. The District will conduct the audit for the purpose of determining whether the Bidder's prices are fair and reasonable.

N. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this RFP and it is found by the District to be acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis, possibly including an audit, may be performed by or for the District in order to determine if the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in response to this RFP.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal Bid Forms. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable. Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

O. NON-ASSIGNMENT

Any attempt by Contractor to assign, subcontract or transfer all or part of this agreement shall be void and unenforceable without the District's prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting or transferring this agreement.

P. LOSS LEADER

It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code.

Q. UNANTICIPATED TASKS, TIME OR DELIVERABLES

In the event unanticipated deliverables, additional time or additional work must be performed that is not identified in this RFP, but in the District's opinion is necessary to successfully accomplish the statement of work or technical specifications, the District may initiate a contract amendment to add time, deliverables or tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rate will apply to any additional work.

PART III

Clarifications will be provided by written notice to all parties to whom the District had sent notice of the RFP and to persons or entities who have requested to be provided notice of any modifications or notices. There will be no oral changes. Oral communications are not binding.

The effect of all addenda to the contract documents shall be considered in Bidder's proposal and the addenda shall be made a part of the contract documents. It is the Bidder's responsibility to review their final submittal and ensure it has addressed all components in the original RFP and any addenda.

Important: It is the Bidder's responsibility to confirm in writing receipt of all addenda(s) and RFI(s) issued to this RFP.

4. Definitions

The use of "shall," "must" or "will" indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal. In the Scope of Work, all mandatory requirements are indicated by an asterisk (*), see Part V.

The words “should” or “may,” indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

5. Grounds for Rejection of the Proposal

A proposal shall be rejected if:

- It is received at any time after the exact time and date set for receipt of proposals as stated in Part II – General Information, Sections C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP as listed in Part VII – Mandatory Format and Content Requirements.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.
- It is incomplete and/or unsigned.

A proposal may be rejected if:

- It contains false or misleading statements or references, which do not support attributes or conditions, contended by the Bidder. (The proposal shall be rejected if the District determines, in its sole and absolute discretion, that the information was intended to mislead the District in its evaluation of the proposal and the attribute, condition or capability of this RFP.)

6. Right to Reject Any or All Proposals

It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re-advertise this RFP; postpone or cancel, at any time, this RFP process, or waive any irregularities in this RFP. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the District.

7. Protests

A Bidder may file a protest against the awarding of the contract. The protest must be filed with both the District and the Department of General Services (DGS) at:

- Department of General Services
Office of Legal Services
Attention: Protest Coordinator
707 Third Street, 7th Floor, Suite 7-330

FAX: (916) 376-5088
- 32nd District Agricultural Association dba OC Fair & Event Center
Business Services Department
Attention: Business Services Supervisor
88 Fair Drive
Costa Mesa, CA 92626
Email: RFP@ocfair.com

Protests may be sent by regular mail, email, courier or personal delivery. Protestors should include fax numbers when possible.

The protest must be received prior to the expiration of five (5) working days from notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth (5th) working day after notice of proposed award was posted in a public place at the District's Administration Office.

IN ADDITION, within five (5) days after filing the protest, the protesting Bidder shall file with the District and the Department of General Services, Legal Office, a fully detailed and complete written statement specifying the grounds for the protest.

PLEASE NOTE, failure to file notice of protest by the conclusion of the fifth (5th) working day after notice of intention to award a contract has been posted and a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Dispositions of Proposals

All materials submitted in response to this RFP will become the property of the District. All proposals, evaluation and scoring sheets shall be available for public inspection at the conclusion of the Committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the District will assess a fee to cover duplicating costs. Documents may be returned only at the District's option and at the Bidder's expense. Two (2) copies of the proposal shall be retained for official District files.

2. Confidentiality of Proposals

The District will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a Bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to this RFP, including proprietary materials, are subject to the California Public Records Act.

The materials may be used by the District to justify the awarding or not awarding of a contract if a protest is filed. The District will not be liable for inadvertently releasing confidential materials although the District will use the best efforts to prevent the release of said materials.

3. Modification or Withdrawal of Proposals

Any proposal which is received by the District before the time and date set for receipt of proposals may be withdrawn or modified by written request of the Bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II – General Information.

A Bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for 60 days," is non-responsive to the RFP.

PART IV

HISTORY & GENERAL INFORMATION

The OC Fair & Event Center (OCFEC) is a 150-acre multi-use property owned and operated by the 32nd District Agricultural Association (the “District”), a California state institution. The District is subject to the oversight of various state agencies, including the California Department of Food and Agriculture, Division of Fairs & Expositions. The OC Fair & Event Center is used throughout the year for both public and private events, and educational and community activities. Historically the OC Fair & Event Center hosts over 150 events throughout the year and self-produces the annual OC Fair and Imaginology events, in addition to managing the Pacific Amphitheatre, an 8,200-seat outdoor amphitheater.

The OC Fair & Event Center features 157,000 square feet of unique event space including 17 exhibit buildings, meeting rooms and outdoor spaces – all available for rent throughout the year.

The property includes Centennial Farm, a three-acre working farm which educates the public, including over 100,000 school children through field trips, on the importance of agriculture in our daily lives. Centennial Farm features farm animals, California specialty crops and the “Table of Dignity” memorial honoring the work of Orange County agricultural workers.

Heroes Hall, located at the OC Fair & Event Center, is a permanent museum and education center honoring the legacy of veterans through rotating exhibitions, performances and educational programs. It features a restored two-story World War II era barracks building and an impressive Medal of Honor Courtyard honoring those who serve our nation. In addition, an A-4M Skyhawk aircraft compliments the Heroes Hall footprint.

The OC Fair & Event Center is home to the annual OC Fair, one of the most anticipated community events in Orange County. Historically, the OC Fair is a 23-day event held over a period of 31 days (Wednesdays through Sundays) during July and August.

The Pacific Amphitheatre is used periodically throughout the year for live performances and events, and is home to a 23-day concert series during the annual OC Fair featuring headline musical acts and comedian performances. In recent years, the 23-day concert schedule has also included additional concerts before and after the annual OC Fair. The Pacific Amphitheatre is also the host venue for the Pacific Symphony’s summer concert series.

Imaginology takes place annually in April over a three-day weekend (subject to change). The popular event features S.T.E.A.M. (Science, Technology, Engineering, Art & Math) workshops, demonstrations, competitions and hands-on activities, providing students with the resources needed to freely explore their imaginations. Professionals from various fields such as electronics, robotics, agriculture and creative arts are available to give participants a glimpse of future career paths.

OCFEC also features an additional program for the public that is independently operated. For example, the equestrian center includes barns, riding arenas and other facilities supporting the equine community, and is used by private boarders and trainers. Members of the public are welcome to visit.

Each proposal shall be evaluated for responsiveness to the District's needs as described in this RFP. This part describes the process the District will follow when evaluating and scoring proposals and awarding the contract, if any is awarded, and contains the exact scoring criteria to be used. During the evaluation and selection process, the Committee may wish to interview a Bidder for clarification purposes only. The Bidder will not be allowed to ask questions concerning other Bidders, but only to respond to clarification questions from the Committee. Proposals cannot be changed by the Bidder after the time and date designated for receipt.

A. EVALUATION AND SELECTION PROCESS

1. Following the deadline for receipt of proposals as stated in Part II, each proposal will be examined to determine if:
 - submittal (receipt) was by the deadline time and date, and

This is not a public review.

2. Proposals that meet the submittal format requirements, as stated in the previous paragraph, will be submitted to the Committee for:

4. The Committee will evaluate each proposal that meets the format requirements of preceding paragraph two, and assign points for the proposal.

This is not a public review.

5. The Committee may request interviews of the Bidders for clarification of proposals. Following any interviews, the proposals may be re-scored.

This is not a public review.

6. Small Business Bidders, who have included in their proposal a copy of their Small Business Certification, shall be granted a preference of five percent (5%) and SB/DVBE Incentive will be given, where applicable and up to 5%. The "Financial Proposal Bid Forms" will be used to determine the not to exceed amount of the contract.
7. To obtain the average score for each proposal, the total points of all reviewers will be added and divided by the number of Committee members.

8. In the event of a tie in determining the successful Bidder, the tie will be broken by a toss of a coin by a member of the Committee and in the presence of authorized representatives of the tied Bidders.
9. All Bidders will be notified of the results.

B. SCORING PROCESS

All responsive proposals will be evaluated using the following weighted scoring method. A maximum of one hundred (100) total points is possible. The proposal will be scored according to the quality of the response, both physical and interpretive, for the following criteria. The Bidder who receives the highest score will be awarded the contract.

The Committee reserves the right to visit a qualified Bidder's place of business for an onsite inspection of the operation before the final scoring process is completed. The Committee reserves the right to visit a site presently being serviced by qualified Bidder before final scoring process is completed.

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the

date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC

Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. Event Organization Protocols. Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.
