Sound-amplification equipment may be installed only by first obtaining written permission from Association.
9. This Agreement shall be subject to termination by either party at any time prior to or during the term hereof by giving the other party notice in writing at least 30 days prior to the date when such termination shall become effective. This Agreement shall be subject to termination by either party at any time prior to or during the term hereof by giving the other party notice in writing at least 30 days prior to the date when such termination shall become effective. 16. This Agreement shall be subject to termination by either party at any time prior to or during the term hereof by giving the other party notice in writing at least 30 days prior to the date when such termination shall become effective.
