SUBJECT: 2022 State Rules Advisory Committee Meeting

This letter is to invite you to the 2022 State Rules Advisory Committee Meeting on Wednesday, October 19, 2022, via Zoom. The purpose of this annual meeting is to discuss any pertinent state rule change recommendations to the State Rules Advisory Committee for the following year. The purposes of the State Rules are to ensure educational and equitable competition, provide state-wide competition consistency, and maximize exhibitor and public safety. These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs, and county fairs in the State of California.

During this time, we are accepting any topics you would like to submit for discussion during the meeting. Please provide any State Rules-related topics and information to Sofia Goss at [sofia.goss@cdfa.ca.gov](mailto:sofia.goss@cdfa.ca.gov) by close of business on October 5, 2022, for consideration. A notice and agenda will be sent out by email and posted on the F&E [website](#) 10 days prior to the October 19<sup>th</sup> meeting.

F&E would also like to remind the Advisory Committee that committee members with a two-year term will be termed out at the end of this calendar year. CDFA will be accepting applications for new members, or for the reappointment of existing members. The new committee members will be appointed by the F&E Branch Chief and the new two-year term will begin on January 1, 2023. The applications will be released after the State Rules Advisory Committee Meeting and will be posted on the F&E [website](#).

The committee is responsible for reviewing the State Rules on an annual basis and makes a recommendation of adoption to F&E. A requirement for appointment is knowledge of fairs, agricultural industry, and competitive exhibit programs. Each member of the committee shall serve without compensation.

If you have any questions/concerns regarding State Rules, please contact [Mike Francesconi](#) at (916) 900-5365.

Respectfully,

Mike Francesconi  
Branch Chief
