BACKGROUND

The OC Fair & Event Center has been selected as the site for the Orange County Sustainability Decathlon, debuting in October 5-15, 2023. This is the result of over two years of discussions and planning with Chapman University Professors Fred Smoller, Mike Moodian and their team.

The Orange County Sustainability Decathlon, a collegiate design/build competition focused on sustainable housing.

Professor Smoller will provide the Board and public with an introduction to this event.
