## **SUMMARY OF COMMITTEE MEETING**

The committee met on 06/12/2023 and discussed the following:

### **Cap X Projects:**

The 2023 Capital & Major Expenditures projects were reviewed (summary document attached).

- **Serenity Walk** – The project is going well despite all the weather challenges. Staff reported on the current status of the project. The trees have been planted and the pavers are currently being installed. Plantings and the rest of the landscaping is anticipated to start by the end of the week.
- **Pacific Amphitheatre Dressing Rooms** - Staff reported on the status of this project. OCFEC and CCA have developed and executed LOU#1 and will start research & development of this project. Director La Belle asked if any other work will be part of this scope. Director La Belle and CEO Richards will do a tour of the facility sometime in July.

- **Master Site Plan Phase One – Administration Building:**
  - **RFP Scoring** – Staff gave the committee a full update on the status of the RFP proposals and the day of scoring. CCA is working through the final approval process for the successful proponent. The public announcement is anticipated by the end of next week. Director La Belle requested the staff and Board finalize a date for a full Board scoping meeting to include the Consulting team. This will be discussed at the June Board of Directors meeting.

**Other:**

- **PSPS** – CCA has updated OCFEC on the status of this project. It will begin sometime post fair 2023.

**Follow-up:**

- The next meeting of the Facilities Committee is TBD.
