SUBJECT: Proposition 12 Update for the 2024 Fair Season

As we all begin to prepare for the 2024 Fair Season, please keep in mind that [Proposition 12 \(2018\)](#) went into effect on January 1, 2022. Proposition 12 is the Farm Animal Confinement Initiative that requires that covered animals be housed in confinement systems that comply with specific minimum standards for freedom of movement, cage-free design, and minimum floor space, and identifies covered animals to include veal calves, breeding pigs, and egg-laying hens, as specified. As you might already be aware, the regulations and additional requirements went into effect on September 1, 2022, for certification, registration, accreditation, and inspection to implement the [Health and Safety Code \(HSC\) sections 25990-25994](#).

While self-certification of the farm where the breeding pig is kept was acceptable for the 2023 fair season, only third-party certifications will be permitted beginning with the 2024 fair season for fair pigs to be processed for resale. The CDFA Fairs and Expositions (F&E) Branch strongly recommends that all fairs request that their market hog exhibitors submit a third-party certification to ensure the pork meat from the show pig has access to a "resale" market. All pig breeders, regardless of age and farm size, in California and those outside of California selling market show pigs to California exhibitors, must be in compliance with Proposition 12.

To implement the law after the passing of Proposition 12 and to assist with the new regulations, the CDFA [Animal Care Program](#) (ACP) was formed within the Animal Health and Food Safety Services (AHFSS) Division. The ACP has also created many helpful outreach and educational materials for the various stakeholders which can be found on their website. Please take the time to watch and share the Proposition 12 Fairs and Exhibitions Guidance for 4-H and FFA [video](#) prepared by ACP. The video is extremely informational!

A list of third-party accredited [certifying agents](#) for Proposition 12 compliance can also be found on the ACP website. Currently, the CDFA AHFSS Division is the only governmental entity certifying agent and certifies at no cost to the producer. If a

producer would like CDFA to certify their farm, they can contact the ACP at AnimalCare@cdfa.ca.gov to inquire about applying for certification. Please share this information with your fair's swine exhibitors as soon as possible to allow them enough time to find a Proposition 12 – compliant project pig for the 2024 fair season.

The F&E Branch appreciates your cooperation as we all transition to a Proposition 12 – compliant future. If you have any questions or concerns regarding Proposition 12 and how it may impact your fair, please contact [Mike Francesconi](#) at (916) 900-5365.

Respectfully,
