The OC Fair & Event Center is excited to announce that implementation of a 10 year master plan for the fairgrounds property and its facilities is in progress. Implementation of the Master Plan may require construction to take place simultaneously during your event. It is strongly recommended to stay in regular contact with your event coordinator throughout the entire planning process of your event to ensure you are aware of the details of these construction projects and how they may affect your event.

ADDITIONAL EQUIPMENT, PERSONNEL AND/OR SERVICES

It is mutually understood that any additions to this agreement shall be achieved through either a signed amendment or service order. The OCFEC will make every effort to contain the need to add services and equipment placement. It is agreed, however, that safety and security additions deemed necessary, as determined by OCFEC management for purpose of protecting all persons on OCFEC property, are not negotiable and will not be compromised.

Event Information

CANNABIS EVENTS

OC Fair & Event Center (OCFEC) does not currently book any cannabis-related events. This policy also extends to existing events at OCFEC. OCFEC does not permit vendors, booths, exhibits, displays, signage, etc from cannabis dispensaries or third-parties that sell cannabis-related products as part of any event. Event sponsors, vendors and/or exhibitors may not distribute, sell or promote cannabis products or drug paraphernalia during any event at OCFEC.

EVENT PROGRAM POLICIES AND PROCEDURES

As specified on page 1 of this Rental Agreement, the Event Sales & Services Policies & Procedures Handbook is a part of this Agreement, and Renter agrees to abide by said Policies and Procedures. The handbook is located on the OC Fair & Event Center website, and can also be accessed at <https://ocfair.com/wp-content/uploads/2018/10/PoliciesProceduresBooklet2018v2.pdf>

EXHIBIT V

OAK VIEW GROUP dba OVG HOSPITALITY

All food and beverage service must be discussed with and approved by OVG Hospitality, the OCFEC Master Concessionaire.

RECYCLING / SB 1383

SB 1383 is a California statute commonly known as the Short-Lived Climate Pollutants: Organic Waste Reductions Law. The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

SOUND ORDINANCE

Per City Ordinance, loud noise is not allowed during move in and move out between the hours of 9:00 PM to 8:00 AM. Please refer to Exhibit E. Sound Monitor/Engineer must be on site for sound check and all music performances. **All outside (on grounds) amplified music/sound must end by 10:00 PM on Friday and Saturday, and by 9:00 PM Sunday through Thursday unless otherwise approved in writing by OCFEC.** Bull horns or similar devices are not allowed. Vendors are prohibited from playing any sound systems (radios, public address systems, portable speakers, etc) that create amplified sound. Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms). Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, Carnival Midway Attractions must comply with request.**

STATE FIRE MARSHAL

Event footprint capacity will be determined by State Fire Marshal. Carnival Midway Attractions must comply with all California State Fire Codes. If State Fire Marshal requires changes to event layout, Carnival Midway Attractions must execute changes within the specified timeframe.

RECYCLING / SB 1383

SB 1383 is a California statute commonly known as the Short-Lived Climate Pollutants: Organic Waste Reductions Law. The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms).** **Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, KQ Elements dba The Bell Venue must comply with request.**

SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

ADDITIONAL EQUIPMENT, PERSONNEL AND/OR SERVICES

It is mutually understood that any additions to this agreement shall be achieved through either a signed amendment or service order. The OCFEC will make every effort to contain the need to add services and equipment placement. It is agreed, however, that safety and security additions deemed necessary, as determined by OCFEC management for purpose of protecting all persons on OCFEC property, are not negotiable and will not be compromised.

CANNABIS EVENTS

OC Fair & Event Center (OCFEC) does not currently book any cannabis-related events. This policy also extends to existing events at OCFEC. OCFEC does not permit vendors, booths, exhibits, displays, signage, etc from cannabis dispensaries or third-parties that sell cannabis-related products as part of any event. RECYCLING / SB 1383

The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms). Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, Carnival Midway Attractions must comply with request.**

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

Former State Employees (PCC 10411):

- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and (3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract.

3. Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**
4. Contractor/renter shall ensure that any party renting space from the contractor/renter with, or for, hazardous participant events (see subsection 4. below) obtains a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events and provides a copy to the contractor/renter.
3. The contractor/renter shall provide copies of all executed release and waiver of liability agreements required under subsections 1. and 2. above to the Fair at the end of the rental agreement.

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the contractor of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

Current State Employees (PCC 10410):

- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC

Limited liability company and enter the appropriate tax classification. (P= Partnership; C= C corporation; or S= S corporation)
• Partnership	Partnership
• Trust/estate	Trust/estate

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. Section 3: Agreement

- 1) An evacuation of a large number of people in Orange County or neighboring counties in Southern California may generate the need for a large venue for mass reception, care and shelter services.

- 5) The OCFEC would be utilized as a transition and processing point. It would also be used as a long-term lodging site.

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation
• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC
• LLC treated as a partnership for U.S. federal tax purposes, • LLC that has filed Form 8832 or 2553 to be taxed as a corporation, or • LLC that is disregarded as an entity separate from its owner but the owner is another LLC that is not disregarded for U.S. federal tax purposes.	Limited liability company and enter the appropriate tax classification. (P= Partnership; C= C corporation; or S= S corporation)
• Partnership	Partnership
• Trust/estate	Trust/estate

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Contractor shall continue to perform contract requirements without interruption during the dispute period.

3. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. SB 1383 is a California statute commonly known as the Short-Lived Climate Pollutants: Organic Waste Reductions Law. The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

Former State Employees (PCC 10411):

- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. 1. Maintenance of Coverage - The contractor/renter agrees that the commercial general liability (and automobile liability, workers' compensation, medical malpractice and/or liquor liability, if applicable) insurance coverage herein provided for shall be in effect at all times during the term of this contract. In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and (3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract.

3. Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**
4. Certified Copies of Policies - Upon request by fair, contractor/renter shall immediately furnish a complete copy of any policy required hereunder, with said copy certified by the underwriter to be a true and correct copy of the original policy. 2. Contractor/renter shall ensure that any party renting space from the contractor/renter with, or for, hazardous participant events (see subsection 4. below) obtains a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events and provides a copy to the contractor/renter.
3. The contractor/renter shall provide copies of all executed release and waiver of liability agreements required under subsections 1. and 2. above to the Fair at the end of the rental agreement.

Contractor shall continue to perform contract requirements without interruption during the dispute period.

Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

Current State Employees (PCC 10410):

- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;

Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation
• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC
• LLC treated as a partnership for U.S. federal tax purposes, • LLC that has filed Form 8832 or 2553 to be taxed as a corporation, or • LLC that is disregarded as an entity separate from its owner but the owner is another LLC that is not disregarded for U.S. federal tax purposes.	Limited liability company and enter the appropriate tax classification. (P= Partnership; C= C corporation; or S= S corporation)
• Partnership	Partnership
• Trust/estate	Trust/estate

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. A decision by Fair Management shall be made to the Contractor in writing, and shall be final and conclusive. Contractor shall continue to perform contract requirements without interruption during the dispute period.

3. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. 5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

Former State Employees (PCC 10411):

If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Payments made in settlement of payment card or third party network transactions	Exempt payees 1 through 4

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

EXHIBIT "A"

DATE(S) OF EVENT: December 4, 2023 and ending December 31, 2023

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from December 4, 2023 through December 31, 2023.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding and livestock services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required before moving any horse from the District, and no horse shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.

d) Arena Rules

12. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
13. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
14. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
15. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
16. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

A monthly charge will be assessed for any trailer stored on District property as set forth in the current Schedule of Fees (Exhibit W). District does not accept liability for any theft or damage to trailers.

k) ☐ Possessory Lien

31. Renter acknowledges that, pursuant to Civil Code Sections 3080-3080.22, District shall have a lien on your horse(s) for money which may become due for providing livestock services. Pursuant to this statutory lien, District has the right to take possession and control of the horse(s) for the purpose of securing the obligation to pay board fees. Other charges for livestock services shall continue during District's possession, even though you may be refused access to or use of the horse(s), and that District has the right to sell your horse(s) to satisfy its lien and for costs of sale.

1) ☐ Security Deposit

32. Security deposits are required for new renters effective April 15, 2023.

33. The security deposit may be used for the purpose of repairing damage for which the tenant is responsible (beyond normal wear and tear), outstanding feed bills, etc. The tenant shall conduct a pre move-out inspection of the stall(s) BEFORE moving out at which time management shall inform the tenant of needed repairs in writing. The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. 2 to 5 horses	Equal to 1 month's rent (Based on stall size. For example, if 1 horse will be boarded in a 12' x 12' stall, and another will be boarded in a double stall 12' x 24', then deposit shall be \$644+\$1,023=\$1,667). Capped at deposit on 2 horses (based on larger stall size).
6+ horses	Equal to 1 month's rent on full stall rate deposit capped on first 2 horses boarded (based on larger stall size). 20% deposit will be required on any additional stalls (based on stall size). For example, if 10 horses will be boarded, and you require two double stalls (12' x 24') and 8 single stalls (12' x 12'), deposit would be \$1,023+\$1,023+\$1,030.40 (20% deposit on other 8, 12' x 12' stalls)=\$3,076.40
Tack Room	Equal to 1 month's rent (\$358)
Locker	Equal to 1 month's rent (based on locker size)

DISTRICT AGREES:

1. ☐ To provide equestrian center office hours which will be as follows: Monday through Saturday, from 8:30 a.m. to 5:00 p.m., and 8:30 a.m. to 12:30 p.m. on Sundays. The office will be closed on holidays.

5. ☐ To provide services (through outside Contractor) for Animal Feeding, Box Stall Cleaning and Arena Maintenance. The current Schedule of Fees will reflect the type of feed available and the associated cost (Exhibit W). Renter must notify District management and make appropriate arrangements for any adjustment in feeding.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. 2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.
19. No overnight stays allowed.

24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. District does not accept liability for any theft or damage to trailers.

l) ☐ Possessory Lien

m) ☐ Trainers

The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. For example, if 10 horses will be boarded, and you require two double stalls (12' x 24') and 8 single stalls (12' x 12'), deposit would be \$1,023+\$1,023+\$1,030.40 (20% deposit on other 8, 12' x 12' stalls)=\$3,076.40
Tack Room	Equal to 1 month's rent (\$358)
Trailer	Equal to 1 month's rent (\$138)
Locker	Equal to 1 month's rent (based on locker size)

In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

2. Minor children must be kept under constant supervision of parent or guardian.

7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.

Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.

12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.
19. No overnight stays allowed.

22. Do not stack items in and around the aisle ways. Please make sure all your personal items are out of the way of others and clear from horses.
23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
 - NO hanging plants/pots allowed.
 - Plant size limited to up to a 5-gallon pot.
 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. OC Fair management does not assume any responsibility for broken, lost, damaged, etc. to personal furniture. Canopies must be fire-retardant, label indicating material of canopy is fire-retardant must be visible and/or provided for fire inspections.

j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. District does not accept liability for any theft or damage to trailers.

l) ☐ Possessory Lien

m) ☐ Trainers

The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. Tack Room	Equal to 1 month's rent (\$358)
Trailer	Equal to 1 month's rent (\$138)
Locker	Equal to 1 month's rent (based on locker size)

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.

Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.
19. No overnight stays allowed.

23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
 - NO hanging plants/pots allowed.
 - Plant size limited to up to a 5-gallon pot.
 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

m) ☐ Trainers

Tack Room	Equal to 1 month's rent (\$358)

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.

7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:

Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.
19. No overnight stays allowed.
20. No modifications of any kind can be done without the expressed written consent of the District.

22. Do not stack items in and around the aisle ways. Please make sure all your personal items are out of the way of others and clear from horses.
23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.
26. Tack room locks: Code or copy of key must be provided to the Equestrian Center office. Management will give notice to enter tack room, except in an emergency situation.

30. Common areas are considered to be grass spaces, barn aisles, etc. Common areas are available for ALL tenants to use and no one is to claim any additional spaces, outside of spaces that are paid for by tenants (these include box stalls, office/tack rooms, trailer parking, and lockers).
31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
 - NO hanging plants/pots allowed.
 - Plant size limited to up to a 5-gallon pot.
 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. OC Fair management does not assume any responsibility for broken, lost, damaged, etc. to personal furniture. Canopies must be fire-retardant, label indicating material of canopy is fire-retardant must be visible and/or provided for fire inspections.

j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. A monthly charge will be assessed for any trailer stored on District property as set forth in the current Schedule of Fees (Exhibit W). District does not accept liability for any theft or damage to trailers.

l) ☐ Possessory Lien

m) ☐ Trainers

41. Trainers are defined as equestrian professionals who provide equine training and care services which may include: Training of horses, instruction to riders, grooming and care services, and other services related to the management of horse and rider. The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. Within 30 days, management shall return the deposit. For example, if 10 horses will be boarded, and you require two double stalls (12' x 24') and 8 single stalls (12' x 12'), deposit would be \$1,023+\$1,023+\$1,030.40 (20% deposit on other 8, 12' x 12' stalls)=\$3,076.40
Tack Room	Equal to 1 month's rent (\$358)
Trailer	Equal to 1 month's rent (\$138)
Locker	Equal to 1 month's rent (based on locker size)

5. ☐ To provide services (through outside Contractor) for Animal Feeding, Box Stall Cleaning and Arena Maintenance. State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

This procedure includes, but is not limited to unmanned aircraft systems, radio-controlled model aircraft, other devices that can be operated in airspace and remotely controlled cars/ground vehicles. Possession or operation of such remotely controlled aircraft or ground vehicle devices without prior written consent will result in the confiscation of all related materials, removal from OCFEC property, and/or a response from applicable law enforcement authority.

EXHIBIT "A"

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
10. Parking and Speed Limit:

 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.
19. No overnight stays allowed.

23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.
26. Tack room locks: Code or copy of key must be provided to the Equestrian Center office. Management will give notice to enter tack room, except in an emergency situation.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
 - NO hanging plants/pots allowed.
 - Plant size limited to up to a 5-gallon pot.
 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

District does not accept liability for any theft or damage to trailers.

l) ☐ Possessory Lien

m) ☐ Trainers

41. Trainers are defined as equestrian professionals who provide equine training and care services which may include: Training of horses, instruction to riders, grooming and care services, and other services related to the management of horse and rider. The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. For example, if 10 horses will be boarded, and you require two double stalls (12' x 24') and 8 single stalls (12' x 12'), deposit would be \$1,023+\$1,023+\$1,030.40 (20% deposit on other 8, 12' x 12' stalls)=\$3,076.40
Tack Room	Equal to 1 month's rent (\$358)
Trailer	Equal to 1 month's rent (\$138)
Locker	Equal to 1 month's rent (based on locker size)

5. ☐ To provide services (through outside Contractor) for Animal Feeding, Box Stall Cleaning and Arena Maintenance. State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.

 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
11. No smoking/vaping is permitted in the equestrian center facility.
12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.

23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

While using benches, chairs and tables, please be respectful and leave furniture where you found it. Tack Room	Equal to 1 month's rent (\$358)

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
7. Horses are not allowed to be loose, nor are they allowed to freely roam.
8. No stallions are allowed on the property.
9. Dogs:

12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.

Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

Tack Room	Equal to 1 month's rent (\$358)

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
4. No glass containers will be allowed on grounds.
5. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.

6. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

DATE(S) OF EVENT: January 1, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from January 1, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Trotting or running horses will not be permitted outside of an arena.
2. Minor children must be kept under constant supervision of parent or guardian.
3. For safety, no riding double.
