SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

It is mutually understood that any additions to this agreement shall be achieved through either a signed amendment or service order. The OCFEC will make every effort to contain the need to add services and equipment placement. It is agreed, however, that safety and security additions deemed necessary, as determined by OCFEC management for purpose of protecting all persons on OCFEC property, are not negotiable and will not be compromised.

RECYCLING / SB 1383

SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms).** Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, Kastl Amusements must comply with request.

Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. 17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
 7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

 9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
 10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.
 11. Rentor is entirely responsible for the space allotted to Rentor and agrees to reimburse Association for any damage to the real property, equipment, or grounds use in connection with the space allotted to Rentor, reasonable wear and tear and damage from caused beyond Rentor's control excepted.
 12. Association may provide watchman service, which will provide for reasonable protection of the property of Rentors, but Association shall not be responsible for loss or damage to the property of Rentor.
 13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association.  15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
 16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
 17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

 20. The Association shall have the privilege of inspecting the premises covered by this agreement at any time or all times.
 21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.
11. Rentor is entirely responsible for the space allotted to Rentor and agrees to reimburse Association for any damage to the real property, equipment, or grounds use in connection with the space allotted to Rentor, reasonable wear and tear and damage from caused beyond Rentor's control excepted.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

19. Rentor recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Rentor may be subject to the payment or property taxes levied on such interest.
20. The Association shall have the privilege of inspecting the premises covered by this agreement at any time or all times.
21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

Receptacles will be provided at several locations to receive Rentor's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.
11. Rentor is entirely responsible for the space allotted to Rentor and agrees to reimburse Association for any damage to the real property, equipment, or grounds use in connection with the space allotted to Rentor, reasonable wear and tear and damage from caused beyond Rentor's control excepted.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.
18. "Contractor, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127)."
19. Rentor recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Rentor may be subject to the payment or property taxes levied on such interest.
20. The Association shall have the privilege of inspecting the premises covered by this agreement at any time or all times.
21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. 20. The Association shall have the privilege of inspecting the premises covered by this agreement at any time or all times.
21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

EXHIBIT "A"

DATE(S) OF EVENT: February 29, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from February 29, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.
26. Tack room locks: Code or copy of key must be provided to the Equestrian Center office. Management will give notice to enter tack room, except in an emergency situation.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

While using benches, chairs and tables, please be respectful and leave furniture where you found it. The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. Within 30 days, management shall return the deposit. 1. Maintenance of Coverage - The contractor/renter agrees that the commercial general liability (and automobile liability, workers' compensation, medical malpractice and/or liquor liability, if applicable) insurance coverage herein provided for shall be in effect at all times during the term of this contract. In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

A decision by Fair Management shall be made to the Contractor in writing, and shall be final and conclusive. Contractor shall continue to perform contract requirements without interruption during the dispute period.

3. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. 4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT "A"

DATE(S) OF EVENT: February 29, 2024 and ending April 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from February 29, 2024 through April 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

12. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) ☐ Arena Rules

13. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
14. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
15. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

16. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
17. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

18. No space heaters allowed in any tack room/office space.

23. Trash should be placed in designated waste bins.
24. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
25. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management reserves the right to enter tack rooms with electrical panels without notice for electrical needs.
26. Tack room locks: Code or copy of key must be provided to the Equestrian Center office. Management will give notice to enter tack room, except in an emergency situation.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
 - Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. A monthly charge will be assessed for any trailer stored on District property as set forth in the current Schedule of Fees (Exhibit W). District does not accept liability for any theft or damage to trailers.

Other charges for livestock services shall continue during District's possession, even though you may be refused access to or use of the horse(s), and that District has the right to sell your horse(s) to satisfy its lien and for costs of sale.

m) ☐ Trainers

Trainers are defined as equestrian professionals who provide equine training and care services which may include: Training of horses, instruction to riders, grooming and care services, and other services related to the management of horse and rider. 45. The security deposit may be used for the purpose of repairing damage for which the tenant is responsible (beyond normal wear and tear), outstanding feed bills, etc. The tenant shall conduct a pre move-out inspection of the stall(s) BEFORE moving out at which time management shall inform the tenant of needed repairs in writing. The tenant shall have the right to make any repairs identified at the pre-move out inspection at his/her expense before the move out date without deduction from the security deposit. Within 30 days, management shall return the deposit. If any deductions are made, management shall provide the tenant with a itemized statement of expenses and receipts for cleaning or repairs for which deductions were made from deposit.

46. Security deposit requirements are as follows:

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

A decision by Fair Management shall be made to the Contractor in writing, and shall be final and conclusive. Contractor shall continue to perform contract requirements without interruption during the dispute period.

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public.  - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.

 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. A monthly charge will be assessed for any trailer stored on District property as set forth in the current Schedule of Fees (Exhibit W). District does not accept liability for any theft or damage to trailers.

Trainers are defined as equestrian professionals who provide equine training and care services which may include: Training of horses, instruction to riders, grooming and care services, and other services related to the management of horse and rider. The scope of services is to be determined between the Service Provider and the horse owner or student as appropriate.
42. All trainers must have a signed rental agreement and certificate of liability to conduct business on property.

In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public.  - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any manure pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.
20. No overnight stays allowed.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

39. Due to a limited number of parking spots on District property, renters may not store their trailers on District property unless a parking spot and permit are assigned to them by District. A monthly charge will be assessed for any trailer stored on District property as set forth in the current Schedule of Fees (Exhibit W). District does not accept liability for any theft or damage to trailers.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. No exceptions. Disregard or violation of this rule may, at District's discretion, result in the immediate expulsion of renter(s).

2. Trotting or running horses will not be permitted outside of an arena.
3. Minor children must be kept under constant supervision of parent or guardian.

Any violation of these rules will result in non-compliance fee.
11. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.
20. No overnight stays allowed.
21. No modifications of any kind can be done without the expressed written consent of the District.
22. Renters are responsible for their own equipment and the general order of their tack room/office space.

Management will remove fire hazards at their discretion and a non-compliance fee will be applied.

30. Common areas are considered to be grass spaces, barn aisles, etc. Common areas are available for ALL tenants to use and no one is to claim any additional spaces, outside of spaces that are paid for by tenants (these include box stalls, office/tack rooms, trailer parking, and lockers).
31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. OC Fair management does not assume

any responsibility for broken, lost, damaged, etc. to personal furniture. Canopies must be fire-retardant, label indicating material of canopy is fire-retardant must be visible and/or provided for fire inspections.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. No exceptions. Disregard or violation of this rule may, at District's discretion, result in the immediate expulsion of renter(s).

2. Trotting or running horses will not be permitted outside of an arena.
3. Minor children must be kept under constant supervision of parent or guardian.
4. For safety, no riding double.

7. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
8. Horses are not allowed to be loose, nor are they allowed to freely roam.
9. No stallions are allowed on the property.
10. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
11. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.
20. No overnight stays allowed.
21. No modifications of any kind can be done without the expressed written consent of the District.
22. Renters are responsible for their own equipment and the general order of their tack room/office space.
23. Do not stack items in and around the aisle ways. Please make sure all your personal items are out of the way of others and clear from horses.
24. Trash should be placed in designated waste bins.
25. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
26. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management

reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

27. Tack room locks: Code or copy of key must be provided to the Equestrian Center office. Management will give notice to enter tack room, except in an emergency situation.

f) Barn Aisles

28. Feed and tack must be in a secure container and the containers must be kept in good shape.
29. Feed and tack containers must conform to the following standards:
- ☐ No items may extend more than 34 inches from the stall or tack room.
30. No writing on any of the feeders or stalls. If there is a need to have notes for trainers, groomers, etc., please use a small dry-erase board.

g) Common Areas

30. Common areas are considered to be grass spaces, barn aisles, etc. Common areas are available for ALL tenants to use and no one is to claim any additional spaces, outside of spaces that are paid for by tenants (these include box stalls, office/tack rooms, trailer parking, and lockers).
31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. No exceptions. Disregard or violation of this rule may, at District's discretion, result in the immediate expulsion of renter(s).

2. Trotting or running horses will not be permitted outside of an arena.
3. Minor children must be kept under constant supervision of parent or guardian.
4. For safety, no riding double.
5. No glass containers will be allowed on grounds.
6. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.
7. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
8. Horses are not allowed to be loose, nor are they allowed to freely roam.
9. No stallions are allowed on the property.
10. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
11. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.
20. No overnight stays allowed.
21. No modifications of any kind can be done without the expressed written consent of the District.
22. Renters are responsible for their own equipment and the general order of their tack room/office space.

25. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
26. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. No exceptions. Disregard or violation of this rule may, at District's discretion, result in the immediate expulsion of renter(s).

2. Trotting or running horses will not be permitted outside of an arena.
3. Minor children must be kept under constant supervision of parent or guardian.
4. For safety, no riding double.
5. No glass containers will be allowed on grounds.
6. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.
7. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
8. Horses are not allowed to be loose, nor are they allowed to freely roam.
9. No stallions are allowed on the property.
10. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.
 - ☐ Trainers: are the only ones allowed to have dogs on property. Trainers are allowed to have 3 dogs maximum, registered with the Equestrian Center Office. Dogs must be on leash at all times and must be well-behaved, no barking. Dogs are not allowed in arenas, turnouts, round pens and near lessons. Dogs should be kept in tack rooms and are the sole responsibility of the trainer. Trainer must be on site when dogs are on property. Trainer's employees, clients, guest, assistant trainers, staff or affiliates are not allowed to bring their personal dogs. Must clean up after your dog. Any violation of these rules will result in non-compliance fee.
11. Parking and Speed Limit:
 - ☐ Speed limit on District premises is 3 miles per hour in all driveways and parking lots.
 - ☐ On-site, private vehicle parking for equestrian center users is only available in designated parking lots in the equestrian center lot accessible through Gate 9. Parking on grass areas, aisleways, by barn stall/arenas/storage containers, etc. is NOT permitted.
 - ☐ Vehicles parked in an area not permitted shall be at risk of being towed at the owner's expense and a non-compliance fee applied.
 - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any mane pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

e) Tack Rooms/Office Space Rules

19. No space heaters allowed in any tack room/office space.
20. No overnight stays allowed.
21. No modifications of any kind can be done without the expressed written consent of the District.

23. Do not stack items in and around the aisle ways. Please make sure all your personal items are out of the way of others and clear from horses.
24. Trash should be placed in designated waste bins.
25. Renters with Tack Room/Office Space must comply with all California State Fire Codes. Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.
26. Tack rooms with electrical panels require 3 feet of clearance and transformers need 12 inches of clearance. Management will remove fire hazards at their discretion and a fine will be applied. Management

reserves the right to enter tack rooms with electrical panels without notice for electrical needs.

30. Common areas are considered to be grass spaces, barn aisles, etc. Common areas are available for ALL tenants to use and no one is to claim any additional spaces, outside of spaces that are paid for by tenants (these include box stalls, office/tack rooms, trailer parking, and lockers).
31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
 - NO hanging plants/pots allowed.

 - Plant pots/containers must be placed atop a brick base to prevent roots from establishing themselves.
 - Containers/pots must not be cracked/broken.

 - Dead plants and/or any of the plants not meeting the above criteria will be removed by EQC management.
33. Furniture (canopies, benches, chairs and tables): If you place canopies, benches, chairs and/or tables in common spaces they are for ALL to use. While using benches, chairs and tables, please be respectful and leave furniture where you found it. Furniture should be placed in non-invasive locations and will be moved by OC Fair management if location is not appropriate or causes safety issues. OC Fair management does not assume

any responsibility for broken, lost, damaged, etc. to personal furniture. Canopies must be fire-retardant, label indicating material of canopy is fire-retardant must be visible and/or provided for fire inspections.

34. Shade Cloth: Shade cloth placed in common arenas need to be approved by EQC management. Shade cloth must be fire-retardant and kept in good condition. Label indicating material of shade cloth is fire-retardant must be visible and/or provided for fire inspections.

j) ☐ Horse Shoeing

38. All shoeing, trimming and resets will be done in the shoeing racks only. There are no exceptions without prior arrangements with District management.

k) ☐ Trailers

m) Trainers

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. No exceptions. Disregard or violation of this rule may, at District's discretion, result in the immediate expulsion of renter(s).

2. Trotting or running horses will not be permitted outside of an arena.
3. Minor children must be kept under constant supervision of parent or guardian.
4. For safety, no riding double.
5. No glass containers will be allowed on grounds.
6. Renter may clean stalls before or after the daily cleaning, but shall deposit material in one of the corners of the stall for convenient removal at the next cleaning.
7. For everyone's safety, horses should not be ridden with just a halter. Please use headstall with proper control devices.
8. Horses are not allowed to be loose, nor are they allowed to freely roam.
9. No stallions are allowed on the property.
10. Dogs:
 - ☐ Individuals: No dogs are allowed on the property.

13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any manure pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).
17. Riders under the age of eighteen (18) must wear a helmet that meets the American Society of Testing and Materials (ASTM) standards (or any other nationally recognized standard for equine helmets) which is properly fitted and fastened securely upon the rider's head by a strap when riding horses. No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

Any appliances (refrigerator, freezer, microwave or fan) must plug directly into an outlet (no extension cords, power strips or outlet splitters). Management will remove fire hazards at their discretion and a non-compliance fee will be applied.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.

Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.

Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. 31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.

Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

8. Conflict of Interest (PCC 10410, 10411, 10420)

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.

Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. 31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. 13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any manure pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

Contractor, by signing this contract, does swear under penalty of perjury that no more than one final unappealable finding of contempt of court by a Federal Court has been issued against contractor within the immediately preceding two-year period because of the contractor's failure to comply with an order of a Federal Court which orders the contractor to comply with an order of National Labor Relations Board (Public Contract Code Section 10296).

2. Resolution of Contract Disputes (PCC 10240.5, 10381)

If, during the performance of this agreement, a dispute arises between contractor and Fair Management, which cannot be settled by discussion, the contractor shall submit a written statement regarding the dispute to Fair Management. A decision by Fair Management shall be made to the Contractor in writing, and shall be final and conclusive. Contractor shall continue to perform contract requirements without interruption during the dispute period.

3. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public. d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.

In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and

(3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract

2. ☐ Primary Coverage - The contractor/renter's insurance coverage shall be primary and any separate coverage or protection available to the fair or any other additional insured shall be secondary.
3. ☐ Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**
4. ☐ Certified Copies of Policies - Upon request by fair, contractor/renter shall immediately furnish a complete copy of any policy required hereunder, with said copy certified by the underwriter to be a true and correct copy of the original policy. Fairtime Carnival Ride contractors must submit copies of actual liability insurance policies, certified by an underwriter, to California Fair Services Authority (CFSA).

III. Participant Waivers

1. ☐ For hazardous participant events (see subsection 4. below), the contractor/renter agrees to obtain a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events sponsored by contractor/renter.
2. ☐ Contractor/renter shall ensure that any party renting space from the contractor/renter with, or for, hazardous participant events (see subsection 4. below) obtains a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events and provides a copy to the contractor/renter.
3. ☐ The contractor/renter shall provide copies of all executed release and waiver of liability agreements required under subsections 1. and 2. above to the Fair at the end of the rental agreement.
4. ☐ Hazardous participant events include, but are not limited to, any event within the following broad categories: Athletic Team Events; Equestrian-related Events; Extreme Attractions; Freefall Attractions; Mechanical Bulls; Simulators; Motorized Events; Rodeo Events; and Wheeled Events, including bicycle, skates, skateboard, or scooter. Contact California Fair Services Authority, Risk Management Department at (916) 921-2213 for further information and for CFSA Release and Waiver Form.

STANDARD CONTRACT TERMS AND CONDITIONS (F-31, RENTAL AGREEMENT)**1. National Labor Relations Board (PCC Section 10296)**

Contractor, by signing this contract, does swear under penalty of perjury that no more than one final unappealable finding of contempt of court by a Federal Court has been issued against contractor within the immediately preceding two-year period because of the contractor's failure to comply with an order of a Federal Court which orders the contractor to comply with an order of National Labor Relations Board (Public Contract Code Section 10296).

2. Resolution of Contract Disputes (PCC 10240.5, 10381)

If, during the performance of this agreement, a dispute arises between contractor and Fair Management, which cannot be settled by discussion, the contractor shall submit a written statement regarding the dispute to Fair Management. A decision by Fair Management shall be made to the Contractor in writing, and shall be final and conclusive. Contractor shall continue to perform contract requirements without interruption during the dispute period.

3. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

4. Amendment (GC 11010.5)

Contract modification, when allowable, may be made by formal amendment only.

5. Assignment

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

6. Termination

The State reserves the right to terminate any contract, at any time, upon order of the Board of Directors by giving the contractor notice in writing at least 30 days prior to the date when such termination shall become effective. Such termination shall relieve the fair of any further payments, obligations, and/or performances required in the terms of the contract.

Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

SCTC, F-31 (revised 10/01)

7. Governing Law

This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

8. Conflict of Interest (PCC 10410, 10411, 10420)

Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (PCC 10410):

- 1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (PCC 10411):

- 1) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service. If

Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (PCC 10420).

9. Contractor Name Change

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

10. Air or Water Pollution Violation (WC 13301)

Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

EXHIBIT E

NOISE ORDINANCE:

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32nd District Agricultural Association (District) prior to the event.

GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1 or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

IN SUMMARY:

NOTE: outside of fair, all references to 55 db are lowered to 50 dB.

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
 - a) Not interfere with surrounding vendors activities.
 - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
 - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
 - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
 - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate $\frac{3}{4}$ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

EXHIBIT V

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the

scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority (“CFSA”), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively “Releasees”) from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner’s employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs,

distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.
9. **Further Action as Necessary.** The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT "A"

DATE(S) OF EVENT: April 15, 2024 and ending June 14, 2024

LOCATION(S):

OC Fair & Event Center – Equestrian Center – 905 Arlington Drive, Costa Mesa, CA 92626

RENTER AGREES:

1. ☐ That the term of this Agreement is from April 15, 2024 through June 14, 2024.
2. ☐ Renter (Boarder or Trainer) rents from District, and District agrees to provide boarding services and facilities to Boarder for one or more of Boarder's horses at District's customary rates and charges. District's customary rates and charges are set forth in the Schedule of Fees (Exhibit W) in effect on the date of this Agreement, and that Schedule of Fees is incorporated herein by reference. District reserves the right to change its customary charges on 30 days' notice. Renter agrees to pay all charges for board and other goods and livestock services at District's then current rate. This is a month-to-month agreement which may be terminated by either party on 30 days' written notice, subject to the provisions of #8 and #9 or Rental Agreement.
3. ☐ Monthly board for each horse boarded, stall, feed, office, tack room, locker, and/or trailer parking shall be paid in advance and those charges are due on the 1st day of each month. Renter will receive an itemized statement of the monthly charges and may opt for paperless billing in lieu of receiving paper statements. All such charges, and all other charges for livestock goods and services provided hereunder and for use of District's facilities are payable on the first day of each month for the preceding month. Checks should be made payable to the "OC Fair & Event Center". All charges not paid in full by the 7th of any month shall be delinquent, and a late payment penalty of \$3.00 per day will accrue beginning the 8th day of the month. A minimum two weeks' notice is required when vacating horses, tack rooms, lockers or trailers from the District, and no horse or trailer shall leave the District until all charges are paid in full. There shall be no exceptions to this payment policy without prior arrangements with District management.
4. ☐ Renter must provide proof of insurance. Insurance requirements can be found in Exhibit B.
5. ☐ Any costs or expenses associated with damage to the facility, unless normal wear and tear, caused either directly or indirectly by renter, his or her affiliates, including any employees, assistants, agents, family members, or guests will be the sole responsibility of the renter.
6. ☐ Due to office/facility space limitations, OC Fair will not be accepting any mail or serve as a clearinghouse for users of the equestrian center property. Please make arrangements to have personal mail/packages delivered to your home, PO Box, etc.
7. ☐ Boarding of horse(s) and use of District facilities and livestock services shall be subject to these General Rules and Regulations in addition to the other terms and conditions herein. District may, at its discretion, change these General Rules and Regulations from time to

time, and Renter agrees to be bound by and observe the General Rules and Regulations as they may, from time to time, be published by District.

a) ☐ The District facilities are for the use of renter and their affiliates, including any employees, assistants, agents, students, family members and guests. Renter shall be solely responsible for the direction, conduct, and control of all affiliates, including any employees, assistants, agents, students, family members and guests. Renter assumes full and sole responsibility for the payment of all wages, benefits, and expenses, in addition to any other obligation owed to his or her employees, assistants, agents, students or other outside service provider. District reserves the right to refuse admittance of renters' affiliates, including any employees, assistants, agents, students, family members and guests, and require them to leave the District premises if their conduct does not conform to these General Rules and Regulations and good social behavior. Disregard or violation of these General Rules and Regulations may, at District's discretion, result in the immediate expulsion of the renters' affiliates, including any employees, assistants, agents, family members and guests. When renter and any affiliates, including any employees, assistants, agents, family members and guests enters the District grounds, renter assumes responsibility for injury to self, affiliates, including any employees, assistants, agents, family members, guests and horse. Because of the unpredictable nature of the large and strong animal you have chosen to associate with, your safety from injury cannot be assured. Therefore, with respect to these obvious and clear dangers, any horse can kick, bite, bolt, and run, thus subjecting you to injury from your and others' horses, unless you remain constantly alert to these and all other hazards while on District grounds.

b) ☐ All renters' affiliates, including any employees, assistants, agents, students, family members and guests shall observe and practice good social behavior. Please be mindful of language used while on property. Theft, use of alcohol or narcotics, flagrant damage of or destruction of District property or renter's property, abuse of animals, physical or verbal abuse of other renters, staff or contractors, or violation of any term or condition of this Agreement, including the General Rules and Regulations, may result, at District's discretion, in immediate expulsion from the District. In such event, renter's horse will be maintained until Renter makes other arrangements for its care, and any refund due will be made on a pro-rated basis. District and its managers and employees shall have the sole discretion and authority to interpret and enforce the provisions of this Agreement.

c) ☐ Facility Use Rules

Renter shall comply at all times with the following facility use rules:

1. Public events such as shows, parades, clinics, open houses, tours, etc., in which the general public (persons that are not regular clients and or students of renters), hosted by any renter at the equestrian center facility must be approved by the District at least 30 days prior to event taking place. Such events are subject to the same rules & regulations as all other events taking place on the fairgrounds, including but not limited to payment of required rental fees set forth for the facility, providing proof

of insurance for event (insurance requirements can be found in Exhibit B), submission of liability waivers from participants, and securing Temporary Food Permits (TFF) through OC Health Care Agency, if food is being served to the public.  - ☐ NO overnight vehicles allowed without the expressed written consent of the District.
12. No smoking/vaping is permitted in the equestrian center facility.
13. Pick up all manure dropped while grooming, washing or walking your horse(s) around the barn areas immediately. Any manure pullings should be swept up and disposed of in the trash receptacles.

d) Arena Rules

14. When entering an arena, a rider should make sure they are seen and wait for a break in the traffic to enter.
15. Horses or riders who are obviously inexperienced or are having difficulty deserve the right-of-way and lots of space. Cut across the arena or circle accordingly. When overtaking someone from behind, pass them wide, about a horse length away, more if the horse is obviously upset by your move. When meeting someone head on, pass left hand to left hand, or on the right as you would in a car. Again, pass at a comfortable distance.
16. Do not stop on the rail for anything except schooling, and then, not for long periods of time. As a general rule, faster traffic should pass to the inside track, slower horses on the outside track (the rail).

No jumping at any time without protective headgear, shoes with heels, and full tack. Be aware of horses on course and anticipate their direction of travel. Do not stand or sit on or near the arena rails.
18. Rules for each arena are posted at each arena entrance. The course may be changed or jump poles relocated. Arena is to be returned to its original position as soon as renter is finished. Any pole or standard dislocated shall be replaced immediately. Horses are not to be turned out in these arenas.

31. Storage Containers in common spaces must receive permission from OC Fair management before any containers are brought in and/or moved. Approved storage containers will be inventoried and labeled by the office.
32. Plants: While some plants can add to beautification of areas, having too many can also allow for hiding spaces for insects and rodents. Additionally, some plants are unkempt and/or have broken pots. This is especially true of some Ficus plants. We will allow for plants to remain within the following guidelines:
- Plants can only be placed in front of your stall or tack room, with plants extending no more than 16 inches out from your stall or tack room. NO plants should be placed at ends of barns regardless if your stall or tack room is an end unit.
