GENERAL INFORMATION

A. FOR REQUEST FOR PROPOSALS (RFP)

The Board of Directors of the 32nd District Agricultural Association is releasing this RFP with the intent to award a contract for the purpose of obtaining **GROUND PRODUCTION – LIGHTING, STAGING, TRUSSING EQUIPMENT & SERVICES** in accordance with the Scope of work listed in this RFP and as directed by the District, from March 1, 2025 – February 28, 2027, with three (3) 1-year options to renew. The agreement options are to be exercised independently and at the sole discretion of the District. Certification of satisfactory contract performance is required. Extensions may involve renegotiation of certain areas.

B. BIDDER RESPONSIBILITY

Bidders are urged to read all documents thoroughly as the District shall not be responsible for errors or omissions on the part of the Bidder. Careful review of final submittal is highly recommended as reviewers will not make interpretations or correct detected errors in calculations.

C. DELIVERY OF PROPOSALS

Proposals must be electronically submitted prior to the closing time and by email* to RFP@ocfair.com via wetransfer.com.

Failure to meet these requirements will result in an unaccepted proposal.

D. CONTRACT AWARD

Each Bidder's financial proposal is evaluated and scored by the Committee who utilizes the score sheet. Small Business preference will be given where applicable. The lowest potential cost is awarded the maximum points, thirty (30). Other proposals are awarded cost points based on the following calculation:

Lowest Proposer's Cost divided by other proposal (factor) X maximum cost points = cost points for other proposer

(Example: Lowest cost proposal of \$75,000 divided by other proposal of \$100,000 = ¾ (factor) x 30 = 22.5 points award to other proposal)

If the contract is awarded, it shall be granted to the qualified responsible Bidder who receives the highest overall score. Prior to the Board of Directors of the 32nd District Agricultural Association awarding a contract, the District shall post a "Notice of Proposed Award" on the OC Fair & Event Center website for five (5) working days. In addition, an email containing a link to the notice will be emailed to each Bidder.

A contract award is not final until:

- The time for posting notice of award has expired;
- Protests filed, if any, have been withdrawn or rejected by the Department of General Services.
- It is approved by the District Board of Directors during a public meeting. The District Board of Directors, in its sole and absolute discretion, may decide not to approve any contract following the RFP process and the District shall have no obligation to reimburse any Bidder for any costs of fees incurred as a result of this RFP.

The District reserves the right to reject all proposals, to select without any discussion or interviews, to request additional information, and to negotiate any minor details, terms or conditions.

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to Bidders who qualify as a small business. The rules and regulations of this law, including the definition of a small business for the delivery of service, are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulations is available upon request.

To claim the small business preference, which may not exceed \$50,000 for any proposal, Bidder's company must have its principal place of business located in California and have a complete application (including proof of annual receipts) on file with the State Office of Small Business and Disabled Veteran Business Enterprise (OSDS). Questions regarding the preference approval process should be directed to the OSDS, 707 Third Street, 1st Floor, Room 400, West Sacramento, California 95605, (916) 375-4940.

If Bidder is claiming the 5% small business preference, a copy of Bidder's OSDS Small Business Certification should be submitted with the proposal (This certificate can be obtained here: <https://caleprocure.ca.gov/pages/sbdvbe-index.aspx>)

Non-small business Bidders may be granted a five percent (5%) non-small business subcontractor preference on a bid evaluation when a responsible non-small business Bidder includes notification that it commits to subcontract at least twenty five percent (25%) of its net bid price with one or more small businesses. Bidder must submit a list of the small businesses it commits to subcontract with for a commercially useful function in the performance of the contract. The list of sub-contractors shall include the subcontractor's name, address, phone number, description of work to be performed and dollar amount of percentage for each subcontractor.

Small business preference qualification information must be included in all bid documents. This must include procedures for claiming small business preference, microbusiness preference, and non-small business contractor/small business subcontractor preference processes. *Note: A non-small business, which qualifies for this preference, may not take an award away from a certified small business.*

I. INSURANCE

The Bidder awarded the contract shall provide a signed, original Certificate of Insurance in the minimum amounts of commercial general liability coverage and automobile liability insurance per occurrence for bodily injury and property damage liability combined, as outlined in Section C, Exhibit E – Insurance Requirements. The Certificate of Insurance shall be furnished to the District fifteen (15) days prior to contract start date. The certificate must include the following, unless the Bidder is on the Division's or CFSA's Master Insurance Certificate List:

- Evidence of authorized insurance for the term of the contract, which includes setup and teardown;
- A 30-day cancellation notice;
- The District's name and address shown as the certificate holder; and
- The additional insured paragraph exactly as stated below:

"That the State of California, the California Fair Services Authority, the District Agricultural Association, County Fair, the County in which the County Fair is located, Lessor/ Sub lessor if fair site is leased/subleased, Citrus Fruit Fair, California Exposition and State Fair, or Entities (public or non-profit) operating California designated agricultural fairs, their directors, officers, agents, servants, and employees are made additional insured, but only insofar as the operations under this contract are concerned."

Also, proof of Workers' Compensation Insurance is required by the Bidder awarded the contract.

J. PRE-CONTRACTUAL EXPENSES

Pre-contractual expenses are defined as expenses incurred by Bidder in: 1) Preparing the proposal in response to this request; 2) Submission of said proposal to the District; 3) Negotiating any matter related to this proposal; 4) Any travel expenses in conjunction with this proposal, and 5) Any other expenses incurred by Bidder prior to contract commencement date.

The District shall not, in any event, be liable for any pre-contractual expenses incurred by the Bidder. Bidder shall not include any such expenses as part of the price as proposed in response to this RFP.

K. SIGNATURE

The Proposal Forms, Certifications, Letters, and all Documents must be signed with the firm's name as indicated. A proposal by a corporation must be signed by a duly authorized officer, employee or agent.

L. PRE-AWARD AUDIT

Prior to contract award, the selected Bidder may be required to undergo an audit of their proposed costs and prices. The District will conduct the audit for the purpose of determining whether the Bidder's prices are fair and reasonable.

M. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this RFP and it is found by the District to be acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis, possibly including an audit, may be performed by or for the District in order to determine if the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in response to this RFP.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal Bid Forms. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable. Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

N. NON-ASSIGNMENT

Any attempt by Contractor to assign, subcontract or transfer all or part of this agreement shall be void and unenforceable without the District's prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting or transferring this agreement.

O. LOSS LEADER

It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code.

P. UNANTICIPATED TASKS, TIME OR DELIVERABLES

In the event unanticipated deliverables, additional time or additional work must be performed that is not identified in this RFP, but in the District's opinion is necessary to successfully accomplish the statement of work or technical specifications, the District may initiate a contract amendment to add time, deliverables or

tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rate will apply to any additional work.

Q. POST AWARD DISPUTES

- A. If a post award dispute between the District and a Contractor arises, the District shall deal in good faith and attempt to resolve potential disputes informally.
- B. Contractor should state the dispute in writing, including all facts of the dispute, and submit it to the District Supervisor or designee.
- C. The District Supervisor or designee shall review the matter and render a final decision in a timely manner.
- D. If the Contractor is not satisfied with the final decision, the matter may be referred to the DGS/PD's Protest and Dispute Resolution unit for final resolution.

R. EXPATRIATE CORPORATION:

Contractor hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1, and is eligible to contract with the State of California.

S. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

- a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
- b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
- c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

PART III

2. Errors and Requests for Additional Information

In the opinion of the District, this RFP is complete and without need of explanation:

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this RFP, he/she shall immediately notify the District of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document.

Bidders that may have questions, or need any clarifying information or additional information, should submit in writing via email to the contact person listed on the cover sheet of this RFP. Bidders must submit questions by the date and time specified in the Tentative Schedule (see Part II – General Information). 3. Addenda (Changes to the RFP)

Prior to award of a contract, the General Provisions, Statement of Work to be Performed, Addenda and all forms and documents of this RFP constitute the potential contract. Any requests to change any of these documents must be submitted according to the instructions "Errors and Requests for Additional Information" above. All changes to this RFP will be made by written addendum. Clarifications will be provided by written notice to all parties to whom the District had sent notice of the RFP and to persons or entities who have requested to be provided notice of any modifications or notices. There will be no oral changes. Oral communications are not binding.

The effect of all addenda to the contract documents shall be considered in Bidder's proposal and the addenda shall be made a part of the contract documents. It is the Bidder's responsibility to review their final submittal and ensure it has addressed all components in the original RFP and any addenda.

Important: It is the Bidder's responsibility to confirm in writing receipt of all addenda issued to this RFP before submitting a proposal. Failure to confirm in writing receipt of all addenda in any proposal will render the proposal non-responsive and result in its rejection.

Acknowledgment of all addenda must be noted by the Bidder on each Financial Proposal Form in the space provided. The District reserves the right to change or cancel the RFP opening date for its own convenience and at its sole and absolute discretion.

4. Definitions

The use of “shall,” “must” or “will” indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal. In the Scope of Work, all mandatory requirements are indicated by an asterisk (*), see Part V.

The words “should” or “may,” indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

5. Grounds for Rejection of the Proposal

A proposal shall be rejected if:

- It is received at any time after the exact time and date set for receipt of proposals as stated in Part II – General Information, Sections C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP as listed in Part VII – Mandatory Format and Content Requirements.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.
- The bidder is not eligible to do business in California.
- It is incomplete and/or unsigned.

A proposal may be rejected if:

- It contains false or misleading statements or references, which do not support attributes or conditions, contended by the Bidder. (The proposal shall be rejected if the District determines, in its sole and absolute discretion, that the information was intended to mislead the District in its evaluation of the proposal and the attribute, condition or capability of this RFP.)
- Not using provided required forms and attachments.

6. Right to Reject Any or All Proposals

It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re-advertise this RFP; postpone or cancel, at any time, this RFP process, or waive any irregularities in this RFP. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the District.

7. Protests

A Bidder may file a protest against the awarding of the contract. The protest must be filed with both the District and the Department of General Services (DGS) at:

- Department of General Services
Office of Legal Services
Attention: Protest Coordinator
707 Third Street, 7th Floor, Suite 7-330
West Sacramento, California 95605
FAX: (916) 376-5088
- 32nd District Agricultural Association dba OC Fair & Event Center
Business Services Department
Attention: Business Services Supervisor
88 Fair Drive

Protests may be sent by regular mail, email, courier or personal delivery. Protestors should include their fax numbers when possible.

The protest must be received prior to the expiration of five (5) working days from notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth (5th) working day after notice of proposed award was posted in a public place at the District's Administration Office.

IN ADDITION, within five (5) days after filing the protest, the protesting Bidder shall file with the District and the Department of General Services, Legal Office, a fully detailed and complete written statement specifying the grounds for the protest.

PLEASE NOTE, failure to file notice of protest by the conclusion of the fifth (5th) working day after notice of intention to award a contract has been posted and a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Dispositions of Proposals

All materials submitted in response to this RFP will become the property of the District. All proposals, evaluation and scoring sheets shall be available for public inspection at the conclusion of the Committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the District will assess a fee to cover duplicating costs. Documents may be returned only at the District's option and at the Bidder's expense. Two (2) copies of the proposal shall be retained for official District files.

2. Confidentiality of Proposals

The District will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a Bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to this RFP, including proprietary materials, are subject to the California Public Records Act.

The materials may be used by the District to justify the awarding or not awarding of a contract if a protest is filed. The District will not be liable for inadvertently releasing confidential materials although the District will use the best efforts to prevent the release of said materials.

3. Modification or Withdrawal of Proposals

Any proposal which is received by the District before the time and date set for receipt of proposals may be withdrawn or modified by written request of the Bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II – General Information.

A Bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for 60 days," is non-responsive to the RFP.

PART IV

The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.
