The OC Fair & Event Center is excited to announce that implementation of a 10 year master plan for the fairgrounds property and its facilities is in progress. Implementation of the Master Plan may require construction to take place simultaneously during your event. It is strongly recommended to stay in regular contact with your event coordinator throughout the entire planning process of your event to ensure you are aware of the details of these construction projects and how they may affect your event.

## **ADDITIONAL EQUIPMENT, PERSONNEL AND/OR SERVICES**

It is mutually understood that any additions to this agreement shall be achieved through either a signed amendment or service order. The OCFEC will make every effort to contain the need to add services and equipment placement. It is agreed, however, that safety and security additions deemed necessary, as determined by OCFEC management for purpose of protecting all persons on OCFEC property, are not negotiable and will not be compromised.

## **CANNABIS EVENTS**

OC Fair & Event Center (OCFEC) does not currently book any cannabis-related events. This policy also extends to existing events at OCFEC. OCFEC does not permit vendors, booths, exhibits, displays, signage, etc from cannabis dispensaries or third-parties that sell cannabis-related products as part of any event. Event sponsors, vendors and/or exhibitors may not distribute, sell or promote cannabis products or drug paraphernalia during any event at OCFEC.

# EXHIBIT A

## Event Information

### **CANOPIES / TENTS**

Canopies and tents are not permitted inside OCFEC buildings or breezeways per the State Fire Marshal. All outdoor canopies and tents must be secured properly via weights or staked into the ground. OCFEC must approve all staking locations prior to set up.

### **COVID GUIDELINES**

Renter agrees to abide by COVID related health directives, if any, in place during the event.

### **DRONES**

OCFEC prohibits the use of all remotely controlled devices such as aircraft, cars, etc.

No remotely controlled aircraft or ground vehicle devices are authorized to operate on, above or below OCFEC property at any time without the express written consent of the OCFEC and/or the proper law enforcement authority. This procedure includes, but is not limited to unmanned aircraft systems, radio controlled model aircraft, other devices that can be operated in airspace and remotely controlled cars/ground vehicles.

Possession or operation of such remotely controlled aircraft or ground vehicle devices without prior written consent will result in the confiscation of all related materials, removal from OCFEC property, and/or a response from applicable law enforcement authority.

### **EVENT PROGRAM POLICIES AND PROCEDURES**

As specified on page 1 of this Rental Agreement, the Event Sales & Services Policies & Procedures Handbook is a part of this Agreement, and Renter agrees to abide by said Policies and Procedures. The handbook is located on the OC Fair & Event Center website, and can also be accessed at <https://ocfair.com/wp-content/uploads/2018/10/PoliciesProceduresBooklet2018v2.pdf>

### **OAK VIEW GROUP dba OVG HOSPITALITY**

All food and beverage service must be discussed with and approved by OVG Hospitality, the OCFEC Master Concessionaire.

### **PEPSI BEVERAGES**

The OCFEC is a Pepsi only facility. All canned or bottled beverages offered for sale must be approved **PEPSI** products. No glass bottles permitted. **All beverages in glass containers must be poured into disposable cups.**

### **RECYCLING / SB 1383**

SB 1383 is a California statute commonly known as the Short-Lived Climate Pollutants: Organic Waste Reductions Law. The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

### **SOUND ORDINANCE**

Per City Ordinance, loud noise is not allowed during move in and move out between the hours of 9:00 PM to 8:00 AM. Please refer to Exhibit E. Sound Monitor/Engineer must be on site for sound check and all music performances. **All outside (on grounds) amplified music/sound must end by 10:00 PM on Friday and Saturday, and by 9:00 PM Sunday through Thursday unless otherwise approved in writing by OCFEC.** Bull horns or similar devices are not allowed. Vendors are prohibited from playing any sound systems (radios, public address systems, portable speakers, etc) that create amplified sound. ## Event Information

### **EVENT PROGRAM POLICIES AND PROCEDURES**

As specified on page 1 of this Rental Agreement, the Event Sales & Services Policies & Procedures Handbook is a part of this Agreement, and Renter agrees to abide by said Policies and Procedures. ### **PEPSI BEVERAGES**

### **RECYCLING / SB 1383**

The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

Sound Monitor/Engineer must be on site for sound check and all music performances. **All outside (on grounds) amplified music/sound must end by 10:00 PM on Friday and Saturday, and by 9:00 PM Sunday through Thursday unless otherwise approved in writing by OCFEC.** Bull horns or similar devices are not allowed. Vendors are prohibited from playing any sound systems (radios, public address systems, portable speakers, etc) that create amplified sound. Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms). Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, International Speedway, Inc. must comply with request.**

### **STATE FIRE MARSHAL**

### **RECYCLING / SB 1383**

The statute requires food generator entities including, but not limited to, large venues, large events, county fairgrounds and state agencies to recycle their organic waste including, but not limited to, food and green material waste, paper products, biosolids and digestate and in some cases, to donate edible food. SB 1383 recovery requirements include a 75% reduction in landfilled organic waste and a 20% increase in recovery of currently disposed edible food by 2025. The OC Fair & Event Center is already actively engaged and fully committed to meeting SB 1383 guidelines by way of in-house recycling initiatives and measures, but is also critically dependent upon compliance of all year round show promoters/producers while on property during their event. It is of utmost importance that all operators adhere to direction provided by OCFEC staff.

Any proposed outdoor music/sound producing entertainment (i.e. - DJ, stage performance, etc) must be discussed with and approved by OCFEC Sound Engineer prior to the event. **Installation of suitable barriers is also required by OCFEC as a sound mitigation measure (see above sound mitigation terms).** Should the Sound Engineer/Sound Monitor or Event Coordinator request that the volume of music, sound or noise be lowered or turned off, Gem Faire, Inc. must comply with request.

### **STATE FIRE MARSHAL**

State of California Division of Fairs & Exposition SCTC, F-31 (revised 12/19)

**EXHIBIT E**

**NOISE ORDINANCE:**

A general awareness of all OC Fair & Event Center sound systems is important to understand the critical task of maintaining sound levels within a specific window for all areas in order to minimize the overall impact of sound from the OC Fair on surrounding neighborhoods.

OC Fair sound systems will have strict sound control measures in place.

**ALL dB references are measured as FLAT response, NOT 'A' weighted. This applies to all dB levels referenced herein.**

The OC Fair has a noise injunction specifically applied to the Pacific Amphitheatre. However, this applies to all events.

The injunction states that at a distant house (547 Serra Way) the level must not exceed 55 dB. The house is approximately 2,000 feet from the Grandstand Arena. The injunction applies to all sound emanating from the OC Fair, DURING Fair time.

For all year round events taking place outside of fair time, there is a 5 dB reduction in maximum levels. In other words, the 55 dB maximum is reduced to a 50 dB maximum.

There is a strict 10:00 p.m. curfew in effect unless an extension of curfew is approved in writing by the CEO or COO of the 32<sup>nd</sup> District Agricultural Association (District) prior to the event.

**GENERAL SOUND LEVEL GUIDELINES, APPLIED TO ALL AREAS:**

**NOTE: outside of fair, all references to 55 db are lowered to 50 dB.**

- 1) Maximum, broadband (20 Hz to 15 KHz) noise level, measured at FOH, will not exceed peaks of 92 dB under any circumstances.
- 2) Behind the stage, measured at noise level will not exceed peaks of 70 dB under any circumstances. This includes direct FOH system energy, stage monitors, backline equipment and any reflected energy from the surrounding buildings.
- 3) Note that the objective is to keep SPL at or below 55 dB in ALL areas where houses are located.
- 4) Any combination of 1or 2 above resulting in noise levels exceeding 55 dB in surrounding neighborhoods must result in a lowering of level until the level in the neighborhood is within compliance.

**IN SUMMARY:**

**NOTE: outside of fair, all references to 55 db are lowered to 50 dB.**

- 1) No more than 55 dB in any area where a home is located.
- 2) No more than 70 dB behind stages.
- 3) No more than 92 dB at FOH.
- 4) If any combination of the above results in greater than 55 dB in any area where housing is located, levels will be immediately decreased until compliance is met.

Measurements will be taken during each event to insure that the level is at or below an average of 92 dB at FOH, 70 dB at the rear of the stage.

Every effort will be taken by the Contractor to insure that the noise ordinance is strictly adhered to.

- 1) In all cases, apply reasonable care to:
  - a) Not interfere with surrounding vendors activities.
  - b) Maintain a level reasonably consistent with the program material and audience size to be covered.
  - c) At no time will the audio level exceed 90 dB 50 feet from the audio system.
  - d) If speakers are in close proximity to audience members, sound level 10 feet from speakers will not exceed 85 dB.
  - e) The Noise Injunction is to be respected and adhered to at all times.
- 2) Contractor is specifically responsible for insuring compliance as indicated herein.
- 3) Contractor will respond to requests from District personnel to reduce levels as required.

## Exhibit F - Assembly Bill 1499

If you haven't already heard, the California Legislature enacted Assembly Bill 1499 (AB 1499). The bill became effective July 1, 2018 and requires retailers (commercial exhibitors/vendors, merchants, concessionaires, etc) who make sales of tangible personal property at a California state-designated fairground to separately report the sales amount on their Sales and Use Tax Return. The OC Fair & Event Center (OCFEC) is a California state-designated fairground. When you operate at the OCFEC as well as at other state-designated fairgrounds, on-premises sales that you and/or your vendors generate are to be reported separately for each specific fairground.

Please note that AB 1499 does not impact current state and local sales tax charged in Orange County or in other California locales. It does, however, direct the California Department of Tax and Fee Administration (CDTFA) to reallocate ¾ of 1% of the total amount of reported gross receipts and to appropriate these monies to the Fair and Exposition Fund for specified fairground operational and infrastructure needs projects. This funding contributes to upgraded fairground facilities that will help event producers and vendors grow their businesses.

Below are links to helpful information on how this may affect you and your vendors.

Please take the time to read through the information and pass along to all of your vendors who will be on OC Fair and Event Center property for your upcoming event.

If you or your vendors have any questions, please contact the California Department of Tax and Fee Administration's customer service line at 1-800-400-7115. Representatives are available Monday - Friday (except state holidays), from 8:00 a.m. to 5:00 p.m. (Pacific time).

## Exhibit S

### **TRUSSING/TEMPORARY SPECIAL EVENT STRUCTURE CONSTRUCTION & SAFETY CODE**

For purpose of public and worker safety, the OC Fair & Event Center (OCFEC) requires that all show producers/promoters, commercial exhibitors/merchants and concessionaires incorporating trussing and other structural components such as signage, banner frames and flag poles into their exhibit/booth design or concession area must adhere to all manufacturer specifications and OSHA guidelines as well as any other applicable state and local regulation when setting up planned exhibitor/merchant or concession space. *See below California Fire Code (CFC) reference language specific to Temporary Special Event Structures.* Other related safety practice requirements also apply when personnel climb onto trussing, and/or stand on concession trailer roofs. Safety measures must include, but are not limited to:

- Required fall arrest system (harness and line use) by personnel exposed to fall hazard during installation, maintenance/wash and teardown periods.
- Specified installation of base plates and anchoring systems.
- Specified blocking schemes and pinning devices.

**Show producers/promoters, commercial exhibitors/merchants and concessionaires not adhering to above guidelines, or deemed to be operating in an otherwise unsafe manner, may be directed to cease operations. Violations can result in counseling and other corrective measures up to and including notice of contractual default. If condition is not corrected within a reasonable remedy period based upon severity of situation or immediately when absolutely necessary, or if occurrence is a repeat violation, matter can be cause for loss of directly related rental space and/or dismissal from the OC Fair & Event Center as well as loss of consideration for future participation at the OC Fair and other planned events.**

**Advance request and OCFEC/State Fire Marshal review process:** During application and contractual rental agreement development timeline, Renter shall submit a request to respective contracting department for OCFEC review and approval of Renter's intent to install trussing units or other such structures surrounding or adjoining designated concession or commercial exhibitor space. If provided OCFEC approval to proceed to next steps of structure planning, Renter is then required by OCFEC and California State Fire Marshal to provide structure (trussing) installation construction documentation, inclusive of a stamped engineering drawing prepared by a California registered structural engineer in accordance with the California Building Code and a letter of conformance from the party responsible for actual building of the structure. Documentation shall encompass structural integrity, wind loads and flame spread requirements, and must be available to OCFEC and fire code official upon request for review and approval in order to permit installation of planned temporary structure. In and of itself, submission of documents to OCFEC or fire code official does not constitute approval. Basis for addressing all specified construction related requirements is to protect against potential of structural collapse/upending and shock hazards. See below document content and procedural list for additional preparatory reference.

**Construction documents:** Construction documents shall be prepared by a California registered design professional (structural engineer) in accordance with the California Building Code and ANSI E1 .21 where applicable. Documents shall include:

1. A summary sheet showing the building code used, design criteria, loads and support reactions.
2. Detailed construction and installation drawings.
3. Design calculations.
4. Operating limits of the structure explicitly outlined by the registered design professional including environmental conditions and physical forces.
5. Effects of additive elements such as video walls, supported scenery, audio equipment, vertical and horizontal coverings.
6. Means for adequate stability including specific requirements for guying and cross-bracing, ground anchors or ballast for different ground conditions.

**Designation of responsible party:** The owner of the temporary special event structure shall designate in writing a person to have responsibility for the temporary special event structure on the site. The designated person shall have sufficient knowledge of the construction documents, manufacturer's recommendations and operations plan to make judgments regarding the structure's safety and to coordinate with the fire code official.

**Operations plan:** The operations plan shall reflect manufacturer's operational guidelines, procedures for environmental monitoring and actions to be taken under specified conditions consistent with the construction documents.

**Means of egress** – The means of egress for temporary special event structures shall comply with California Fire Code.

**For official code standards, refer to the California Fire Code (CFC) section applicable to Temporary Special Event Structures.**

17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. 9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees of Association.

6. Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Rentor must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. Receptacles will be provided at several locations to receive Rentor's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.
11. Rentor is entirely responsible for the space allotted to Rentor and agrees to reimburse Association for any damage to the real property, equipment, or grounds use in connection with the space allotted to Rentor, reasonable wear and tear and damage from caused beyond Rentor's control excepted.
12. Association may provide watchman service, which will provide for reasonable protection of the property of Rentors, but Association shall not be responsible for loss or damage to the property of Rentor.
13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.
18. 21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. 16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees of Association.

17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. 16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.

16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.

Receptacles will be provided at several locations to receive Rentor's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.
18. "Contractor, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127)."

21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.

15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.

6. Rentor will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Rentor shall not include the Carnival and the Carnival Area.
7. Rentor will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Rentor must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Rentor's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Rentor within or outside his space must be of such a nature and must be so operated, as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Rentor agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale, shall be subject to the approval of the Association and the local law enforcement officials.
11. Rentor is entirely responsible for the space allotted to Rentor and agrees to reimburse Association for any damage to the real property, equipment, or grounds use in connection with the space allotted to Rentor, reasonable wear and tear and damage from caused beyond Rentor's control excepted.
12. Association may provide watchman service, which will provide for reasonable protection of the property of Rentors, but Association shall not be responsible for loss or damage to the property of Rentor.
13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Rentor must be removed from the buildings and grounds by Rentor, at his own expense, no later than a date specified by Association. It is understood in the event of Rentor's failure to vacate said premises as herein provided, unless permission in writing is first obtained. Association may and is hereby authorized and made the agent of Rentor to remove and store the concession and all other material of any nature whatsoever, at the Rentor's risk and expense, and Rentor shall reimburse Association for expenses thus incurred.
14. No Rentor will be permitted to sell or dispose of anywhere on the Fairgrounds alcoholic beverages as defined in the Alcoholic Beverage Control Act, except in the concession space. Even such limited sales are not to be made unless Rentor is authorized in writing by Association and unless he holds a lawful license authorizing such sales on said premises.
15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This rental agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this agreement.
18. "Contractor, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127)."
19. Rentor recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Rentor may be subject to the payment of property taxes levied on such interest.
20. The Association shall have the privilege of inspecting the premises covered by this agreement at any time or all times.
21. The parties hereto agree that Rentor, and any agents and employees of Rentor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees of Association.
22. Time is of the essence of each and all the provisions of this agreement, and the provisions of this agreement shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the respective parties hereto.
