Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OC FEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access*. There is a small area backstage reserved for the OC FEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OC FEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OC FEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OC FEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OC FEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.
